Louisiana, the Southeast Coast, and Haiti: Health and Hygiene Kits

The call for relief supplies continues to come daily. As volunteers are being deployed to start with the massive cleanup and rebuilding of areas effected by Hurricane Matthew and other storm systems, the immediate need for construction and hygiene supplies is increasing. Because of our historic relationship with The United Methodist Church, we will be coordinating with their relief efforts to assemble and package health and hygiene kits. These kits take a few minutes to assemble, while providing on-the-ground support to families who have lost all their possessions. Stop by the Rollins Campus Center Atrium to package a health kit. This event is sponsored by SERVE and the Inter-Religious Council.
