AT YOUNG HARRIS COLLEGE, YOUR CHILD WILL BE DOING MORE THAN HE OR SHE EVER IMAGINED.

EXPLORING MORE. GROWING MORE. REALIZING THEIR TRUE, INNER POTENTIAL.

AND AS A PARENT, YOU’RE READY TO KNOW THAT YOUR FAMILY HAS REACHED A GREAT DECISION.

A FOUNDATION FOR LIFE. Our liberal arts foundation educates the whole person and encourages lifelong learning, allowing students to move on to jobs and greater good graduate programs or professional careers. Our faculty are personally invested in their students, and close-knit community pushes yet nurtures people to do more than they ever imagined.

YOUR CHILD IS READY FOR YOUNG HARRIS COLLEGE. A private liberal arts institution in the beautiful mountains of northeastern Georgia, Young Harris College has the people, programs and philosophy that create the ideal learning environment, with unexpectedly personal connections.

Our abundant academic offerings and unmatched extracurricular activities—all within a great outdoor setting that just can’t be found at other colleges—will lead your son or daughter to success with a competitive edge.

Ready for:_________.

GO TO YHC.EDU AND PLAN YOUR CAMPUS VISIT TODAY.
We’re a college that encourages students to try new things, push themselves and explore new ideas. With a 13:1 student-faculty ratio, distinctive academic majors and innovative minors, ethics across the curriculum, an Honors program, undergraduate research, and Division II athletics and Peach Belt Conference, Intramurals and club sports, Concerts, theatre productions and gallery exhibits, and more, students have opportunities to grow and learn in and out of the classroom. Our students participate in internships, study abroad, and service learning, all while living in the enchanted valley. CAMPUS ENVIRONMENT. At Young Harris College, learning happens everywhere. The location is one of the most biologically diverse areas of the U.S., which offers an educational advantage to this biology major’s classroom. Learning opportunities are unique to the area and beyond. The learning environment is interdisciplinary and authentic. Students will be immersed in the culture, history, environment, and communities of our area in and out of classroom situations.

STUDENT LIFE. Educating for who a student isn’t just about academics. Our holistic approach with combined professional development, leadership opportunities, a commitment to ethics, greater self-awareness, and broader understanding prepares students for success after graduation. Clubs, intramural athletics, and various large and small events provide our students with learning, thinking, being, large. Total College Experience. Living in the Enchanted Valley. Three national forests as a learning lab. LEED-certified facilities. Wildlife viewing. Hiking trails. Reuse, reduce and cleaning well. LIVING INDEPENDENTLY AND MAKING SMART DECISIONS. Ready for room to breathe and focus on what matters. Ready for EXCELling IN A LEADERSHIP ROLE. Ready for FINDING HER TALENTS. Or DISCOVERing what he’s going to become. Ready to be BOLD. Career preparation. We support our students’ professional development through experiences rich with underpinnings of leadership education.

WHAT STUDENTS THINK
A RINNING ENDSOREMENT
