

Morgan Stanley Donation & DTC Delivery Instructions

The most efficient method for donors and/or brokers to transfer securities is by direct transfer of the securities to the Custody Account held at Morgan Stanley.

Young Harris College and Morgan Stanley will need to be advised, *in advance*, that a transfer is being made so that authorizations will be in place for its acceptance. Please fax this document to Shirley Wallace at 404-995-7797. Contact Shirley Wallace at 404-266-6393 or shirley.wallace@ms.com if you need additional information to complete this transfer.
