

## **General Information for Fall 2020 Residence Hall Move-in**

This communication is part of a multi-part series regarding precautions Young Harris College is taking as we open for the fall semester. The purpose of this series is to provide general information, but not to overwhelm you with minute details that may need to change. We want to set expectations for some changes you will see on campus. Future information about a variety of topics will be provided to you during the month of July. Upcoming topics include: Residence Life, Dining Services, and Activities on Campus, as well as Campus Recreation, and General Information. Please note that policies and procedures may change in response to new guidance from the CDC, Executive Orders from the Office of the Governor, the Department of Education, and local officials. Details will be provided as we get closer to move-in. Thank you for understanding.

### **Move-in Dates by Group**

**In-season Student-athletes (as approved by the Department of Athletics):** Monday, August 10

- Students who are part of an in-season athletic team and must be on campus early will arrive on August 10. Your coach will inform you if you are expected as an early arrival. (Eligible teams are: Men's and Women's Soccer, Volleyball, Men's and Women's Cross Country)

**First-Years:** Wednesday, August 12

- Each new student, including new student-athletes, must have a completed health form and required immunization form on file prior to move-in.
- More detailed and specific information regarding First-Year move-in will be included in assignment letters for new First-Year Students.

**New Transfers:** Thursday, August 13

- Each new student, including new student-athletes, must have a completed health form and required immunization form on file prior to move-in.
- More detailed and specific information regarding move-in will be included in assignment letters for New Transfer Students.

**Continuing Students and Re-admitted Students:** Saturday, August 15 or Sunday, August 16 (assigned dates and times)

- Continuing and Re-admitted Students should check their YHC email in the two weeks before move-in for more detailed instructions and assigned move-in dates/times.

### **Information for All Students**

- All students will be given a specific move-in time and a driving route to follow onto campus as we get closer to the dates of move-in. These move-in times increase the likelihood of proper social distancing during move-in. While we are excited to have you on campus, your cooperation in adhering to your assigned date and time is imperative.
- As with any move-in process, please expect lines. We will do our best to reduce your wait time. Please arrive at your scheduled time. This will minimize the inconvenience for you and for others.
- Each student may bring a maximum of two people to assist with the move-in process. Please do not bring guests with you who are part of a vulnerable population, as there will be a number of people on campus during the move-in process.
- Each person in each vehicle will be asked to complete a COVID-19 questionnaire and a temperature check while in the vehicle line.

- Students and those who accompany them must wear a cloth face covering. Please bring whatever cloth face covering suits your needs best. Students and guests must wear the cloth face covering when completing the screening process and throughout move-in. Students will be required to wear a cloth face covering in certain locations, at certain events and whenever social distancing is not possible.
- We strongly encourage you to minimize what you are bringing to campus. This will make your move-in easier. You can add needed items later.

We appreciate your cooperation as we take actions to provide the safest possible living and learning environment.
