ABOUT THIS GUIDE

This Guide to Student Life serves as a resource/reference guide for your journey of learning and personal development at YHC. We encourage you to take advantage of the many services and programs offered by the faculty and staff that are designed to enhance your overall experience. The administration and Board of Trustees at Young Harris College believe that one of their primary responsibilities is to encourage the development and maintenance of an environment within the Young Harris College community which best permits the institution and its students to realize their goals. Most of these expectations center on policies and procedures that establish and maintain a safe and healthy campus, provide an environment that is conducive to learning and personal development, support and reflect local, state, and national laws, provide equal opportunities for all students, and reflect principles of shared responsibility.

The Guide to Student Life is divided into multiple sections:

- **A Tradition of Excellence** gives an overview of the institution including the history, mission, slogan, goals, values, and vision statement.
- **Campus Information** exposes students to a fairly comprehensive list of experiences and services offered by the College to help them succeed academically and socially.
- **Student Life Policies** encompasses selected policies and procedures most relevant to students; including information for Residence Life as well as Campus Activities. Included are the non-academic policies and procedures of Young Harris College every student is responsible for knowing, observing, and complying with.
- **Student Conduct System** focuses on the process followed if a student violates College Policy or, in turn, feels that his/her rights have been violated. This section describes in detail the Student Conduct Process as well as student development opportunities in policy revision and enforcement.
- **Calendar of Events** only scratches the surface of what is offered each week on campus. Students are able to use this 52-week calendar to help balance their busy lives and keep up with important events such as class, assignments, tests, organizational meetings, road trips, and sleep.

We look forward to working with you in many ways as you begin or continue your Young Harris College experience; and what an experience it can be! The proud tradition of academic challenge and achievement, the success of our athletic teams, the many quality programs and activities offered through the student development program, the beautiful environment of the campus and the North Georgia Mountains combine to make this place very special. Have a great year!

**Examination and Revision**
The policies of Young Harris College are under continual examination and revision. The Guide to Student Life is not a contract; it merely presents the policies in effect at the time of publication and in no way guarantees that the information contained herein will not change. For the most current policies and information go to [www.yhc.edu/gsl](http://www.yhc.edu/gsl) which we encourage you to review regularly.
A TRADITION OF EXCELLENCE

Young Harris College is a private, residential, liberal arts, institution located in the southern Appalachian region. The College is affiliated with the United Methodist Church and students from all backgrounds are welcome.

As you learn more about Young Harris College, we trust that your loyalty to your Alma Mater will grow. In the pages of this guide you will find additional information about the College, its traditions, and its services.

The Young Harris College Tradition

Young Harris College was conceived in the mind of a circuit-riding Methodist minister, Rev. Artemas Lester, and it was through his efforts that the institution became a reality. Judge Young L. G. Harris of Athens, Georgia, contributed to the financial needs of this mountain school when it became evident during its first year of existence that it would not continue without financial support. After 1886, Judge Harris continued to contribute substantially each year. Originally known as McTyeire Institute, for the town in which it was located, its name was soon changed to honor its first great benefactor. The name of the surrounding village was later changed to Young Harris by an act of Georgia legislature.

From its beginning, Young Harris College was more than just a school for young men and women of the mountains. Because of its academic standing and Christian tradition, it attracted students from across Georgia, from the Southeast and, in due time, from foreign countries. Today its student body is drawn from Georgia, other states, and dozens of foreign countries. Young Harris College sends back to these places, to quote a graduate, “...men and women able to serve their communities and their God, for in the mountain college of North Georgia they found a place in society and faith to live by.”

Mission Statement

- Defining and developing realistic educational goals
- Identifying academic plans consistent with career and life pursuits
- Planning course schedules and charting degree completion
- Changing and declaring majors and minors
- Understanding College Policies and procedures and utilizing helpful campus resources

The Academic Advising Center oversees advisement of most freshman and sophomore students through completion of their core (general education) requirements. Juniors and seniors are typically advised by faculty members in their declared area of study. Fine Arts students are advised by Fine Arts faculty members during all four years of their program.

Academic Success Center: 706-379-5164
The Academic Success Center (ASC) provides tutoring, study skills seminars, personal academic counseling, and quiet study space for students who are looking for academic, motivation, or time management assistance. The Center is open from 9:00 a.m. – 11:00 p.m. Monday through Friday. Students who wish to use the Center’s services may call, email, or stop by the center to make an appointment for specific services. Students are always welcome to use the ASC as a quiet study space. Computers are available.

The Academic Success Center works with any student who needs academic assistance through its tutoring program. Tutoring is available for English, math, computer science, communication studies, chemistry, biology, the social and behavioral sciences, music, and Spanish. Additional tutoring may be available upon student request. The ASC provides intensive English composition classes and supplemental instruction for students who demonstrate the need for additional writing assistance and for those who speak English as a second language.

Students who are placed on academic probation as a result of the previous semester’s grades will be notified that they are required to create and fulfill an Academic Success Contract in order to be enrolled at the College. In addition, students who receive at least two notices of midterm deficient performance will be required to enter into an Academic Success Contract. These contracts require a commitment from students to create and fulfill the terms of an academic success action plan: to attend academic counseling sessions; to participate in study skills, time management, or motivational seminars; to utilize campus support services; and to monitor and assess their own progress in consultation with the Student Success Center.

There are additional student academic support services available, which are explained in the Disability Services, Speaking Center, and Writing Center sections found later in the Guide.

**Campus Activities: 706-379-5110**

The mission of the Office of Campus Activities is to provide Young Harris College students with different opportunities to become involved in on and off campus experiences, which will enhance the development of the whole person. The office complements the College’s academic programs. It enhances the overall educational experience of students through development of, exposure to, and participation in social, cultural, leadership development, fraternity and sorority, intellectual, recreational, and community service activities.

For most students, a significant factor in the successful attainment of a college education is the manner in which time outside the classroom is utilized. The fact that Young Harris College makes available to students a number of social, recreational, cultural, and academic opportunities implies a firm belief in the value of extra-curricular educational experiences. One important phase of a student’s learning can be participation in campus clubs and organizations, where the opportunity is offered to form friendships, work with others of varying backgrounds, assume leadership, and explore shared interests.

For more information stop by the Office of Campus Activities.

**Campus Gate Art Gallery: 706-379-5114**

The Campus Gate Art Gallery provides a great source of cultural enrichment to the YHC campus and community. The gallery is a beautifully restored building located on College Street next to the U.S. Post Office. Throughout the year there are exhibitions by professional artists as well as a juried student exhibition at the end of the spring semester that is open to all students. Each exhibition has a reception where guests can meet and mingle with the exhibiting artist and discuss the artwork with them. All exhibitions and receptions are free and open to the public. The gallery hours are Monday-Friday, 9:00 a.m.-2:00 p.m.

**College Publicity and News Releases: 706-379-5310**

The Office of Communications and Marketing disseminates news and information about Young Harris College to the media and to the public. Hometown news releases can be provided to students’ hometown newspapers, when that information is provided, for both academic and extracurricular achievements, such as inclusion on the Dean’s and President’s Lists, honor society inductions, academic and leadership awards, Commencement, participation in fine arts events and performances, and other noteworthy involvements. Students who wish to have hometown news releases distributed should complete a Parent and Newspaper Information Form that is distributed during START Orientation sessions. This form is also available online through YHC Connect or in the Student Development Office. The Office of Communications and Marketing cannot guarantee that any newspaper or media outlet will publish news releases
provided by the College. Students are encouraged to contact their hometown newspapers and request that such releases be published in a timely manner.

**Common Reading Program: 706-379-5109**
Young Harris College’s common reading program is a first year experience initiative that brings together the campus community by requiring all first year students to read a common book. It allows new students to participate in a shared academic experience which encourages community dialogue and personal reflection with their peers as well as faculty and staff. Each year a book is chosen with input from the campus community and the themes of that book are integrated into a number of activities both inside and outside of the classroom throughout the academic year.

**Counseling and Psychological Services (CAPS): 706-379-5167**
Students looking for assistance with a personal problem or who are attempting to cope with one of life’s ongoing challenges are encouraged to meet with the College Counselor. Counseling services, provided by a National Board Certified, Licensed Professional Counselor, are free and confidential. Any student needing assistance beyond the professional abilities of the Counselor will be referred to community agencies or private professionals.

CAPS also provides public outreach programs held in campus housing, in classrooms, at club meetings, or similar settings. While emergency and crisis situations are given top priority, no problem is too small for consideration. The Director of Residence Life, Vice President for Student Development, Resident Directors, the Campus Minister, members of the faculty, and other College employees are also available to aid the student in making the necessary social and academic adjustments.

Disability Services: 706-379-5164
Young Harris College is committed to providing an environment in which all students are given a reasonable opportunity to learn and work to their full potential. In compliance with Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, the College will provide reasonable accommodations for students with known disabilities. Young Harris College recognizes a student with a disability as anyone who has submitted appropriate documentation of a physical or mental impairment that substantially limits one or more major life activities. Accommodations are made on a case by case basis, determined by the nature of the documented disability and of the specific College program and facilities involved.

In order to qualify for accommodations, the student must provide written documentation from an appropriate licensed professional to certify that a student has a disability and to help determine reasonable accommodations. Guidelines for required documentation are available from the College’s Academic Success Center.

A reasonable accommodation is a modification or adjustment to a course, program, service, activity, or facility. It is designed to offer a qualified student with a disability reasonable access to the same opportunities, benefits, and privileges available to a similarly situated student without a disability. The accommodation is not required if it would fundamentally alter the nature of the course, program, service, or facility, or if it would result in an undue burden for the institution. To determine reasonable accommodations, the College will seek information from appropriate personnel regarding essential standards for courses, programs, services, activities, and facilities.

Academic Accommodation Process
The Academic Success Center coordinates the provision of reasonable accommodations in the academic program for students with documented disabilities. The Success Center staff will work with each qualified student to design an individualized and confidential Student Support Plan and to coordinate accommodations throughout the academic term. For more information, for a copy of current policies and procedures, or to schedule an appointment, please contact the Academic Success Center staff.

Physical Accommodation Process
All Young Harris College students should enjoy equal access to all services and activities offered by the College to the extent possible. To that end, reasonable accommodations will be made for documented permanent and temporary physical disabilities on a case by case basis as deemed appropriate. Every effort will be made to work collaboratively with the student and among all appropriate campus departments and services to determine the best possible accommodations for each student’s specific needs.
A variety of accessible housing options exist in campus housing. Accessible housing arrangements should be requested as part of the Housing Application process.

For further information regarding access to campus facilities and/or activities and events please contact the Student Development Office (706-379-5118) or the Office of Residence Life (706-379-5300).

Duckworth Library: 706-379-4313
Guidelines on use of the College library’s resources and facilities can be found at the library website http://library.yhc.edu. Questions and/or suggestions relating to library operations should be brought to the attention of any library staff member. Follow the library on Twitter @yhclibrary. Students may also email (library@yhc.edu) or text (706-897-4616) the library with any questions. Library databases can be accessed by students from off campus. Check the website for information. Library hours during the fall and spring semesters and the summer sessions are posted at the library website.

Financial Aid Office: 706-379-5162
The YHC Financial Aid Office is located in the lower level of the Pruitt-Barrett Administration Building. Because the financial aid process can be tedious and confusing, any student and/or parent is welcome to contact the office for help with understanding the College financial aid process, completing the financial aid processes, filing the FAFSA, loan processes, and/or any other financial aid matter. If special circumstances develop, students are encouraged to discuss them with a financial aid counselor at any time. The office offers advising in educational loans, loan repayment information, and can also counsel students about the criteria needed to continue receiving scholarships which they are awarded such as academic requirements for HOPE and YHC Academic Scholarships. It is important for students to speak with a financial aid counselor when considering dropping a class, or repeating a class, because of the affect it may have on their financial aid. Every student is encouraged to learn how to calculate his/her GPA.

Health and Wellness Services: 706-379-5160
The Student Health Clinic, located on the ground floor of Appleby Center, is staffed by a Registered Nurse and is open to all resident and commuting students. The clinic provides the following services:

- Exam by an RN in case of illness or injury with referral to local health care providers as indicated
- Assistance in making appointments with local health care providers
- First Aid treatment for injuries
- Blood pressure checks
- Health promotion and wellness counseling
- Free health information and wellness reference library
- Free loans of crutches, heating pads, cold packs, knee, ankle and wrist supports, etc.
- Non-prescription medicines
• Psychological and counseling referrals

A local physician serves as Medical Director of Health & Wellness Services and provides oversight of all clinic services and consults with the Nurse Director as needed.

Since the clinic is not a full-service medical facility, students are referred to local physicians as need dictates. Health & Wellness Services can help find a doctor’s office who accepts your medical insurance. Although the clinic maintains a close working relationship with certain local doctors, students may go to any local physician who is accepting new patients.

We encourage students to become active participants in their own health care. We try to provide adequate information to allow you to make knowledgeable decisions about your own health and proper utilization of the health-care system.

Transportation to the doctor’s office is not provided routinely by the College and is the responsibility of the student. The College reserves the right to call emergency responders for any student if the need should arise. Should hospitalization be necessary, students are admitted to Chatuge Regional Hospital in Hiawassee or Union General Hospital in Blairsville. In cases of major illness which require hospitalization elsewhere, students are referred to another facility, preferably close to the student’s home.

College officials reserve the right to contact parents or authorities in cases of medical emergencies as allowed by law.

Hours
The Clinic is open 8:00 a.m. – 5:00 p.m. Monday through Friday. Walk-in appointments are accepted but students may also schedule appointments by calling the clinic at 706-379-5160. Messages left on voice mail are automatically forwarded to the on-call nurse’s cell phone.

After Hours Care
Students who need non-emergency medical care when the clinic is closed, should contact a Resident Director or Resident Advisor who will assist in contacting the nurse or procuring medical attention in the local community.

In Case of Emergency
Call the local EMS by dialing 911.
Be sure to stay on the line to answer any questions the EMS operator may ask.
If you call the EMS, you should also contact the Resident Director On-Call: 706-781-8393, who will notify the nurse and/or the Police Department as needed.

Other Emergency Contacts
• YHC Police Department: 706-379-4570
• On-Call Resident Director: 706-781-8393
• **On-Call Nurse:** 706-897-6228
• **On-Call Counselor:** 404-630-3764

**Medications**
Health and Wellness Services stocks a variety of nonprescription medications which are offered to students free of charge. Prescription medications must be purchased by the student at one of the local pharmacies.

**Medical Insurance Coverage**
The cost of medical care is the fastest rising expense in the United States today. For a college student, one serious illness, injury or catastrophic medical emergency can mean financial ruin and cause the end of educational dreams. Therefore, all students are strongly encouraged to have medical insurance coverage, in compliance with the Affordable Care Act.

International students are required to purchase an international student medical insurance policy that is effective prior to entering the United States and remains in effect until the student arrives back in his/her home country. Further information about international student insurance policy requirements can be found on the college website or by contacting the Director of Health and Wellness Services.

Questions about insurance should be referred to the Director of Health and Wellness Services at 706-379-5160 or lkniess@yhc.edu.

**NOTE:** It is very important to carry a copy of your medical insurance card at all times.

**Privacy of Medical Records**
The College complies with all legal and ethical obligations to safeguard personal health information. Young Harris College Health and Wellness Services will only release or disclose the Protected Health Information (PHI) of students in a manner that is consistent with ethical and legal obligations to protect the medical privacy of persons who have PHI on file in the clinic.

**HIV/AIDS Statement**
Young Harris College does not consider the existence of a positive HIV status, ARC or AIDS in its admission or hiring procedures. Legal and ethical considerations suggest there is no reason to adopt policies or courses of action that would deny ordinary privileges and rights, including that of privacy, to students, faculty or staff members who are known or suspected to be infected with HIV.

**Honor Code/Honor Council: 706-379-5171**
The Honor Code brings a special freedom to campus life. Every student on campus has agreed in writing to abide by the Honor Code and the system of discipline it requires. At Young Harris College, academic integrity and honor allow students, faculty, and staff to have mutual
confidence in each other's words and actions. This atmosphere is self-perpetuating and enables students to live and learn together more easily.

From time to time violations of the Honor Code commitment do occur. These are taken seriously; each case is heard and judged promptly according to the provisions of the Honor Code governance policy. Student members of the Honor Council may be elected by their peers or appointed by the Honor Council Chair.

We urge each prospective member of the College to give thoughtful consideration to the Honor Code as he or she applies to become part of the campus community. When students join the community, they affirm this commitment by signing the Code during a formal ceremony, which marks the beginning of the academic year. Honor and academic integrity are the keystones of life at Young Harris College. The full Honor Code can be found at www.yhc.edu/honor.

Honors Program: 706-379-5333

The Young Harris College Honors Program offers exciting intellectual challenges for students interested in maximizing their collegiate academic experience. Students enrolled in the YHC Honors Program take special courses reserved exclusively for Honors students. These courses are innovative, discussion-based, and taught by the best professors at the College. Students may select Honors sections of courses offered as part of the General Education Core Curriculum, one-hour seminars on special topics within various academic disciplines, or a combination of both types. Honors students also receive academic scholarships, priority registration for classes, and special opportunities for travel. Honors students also have the opportunity to earn an Honors Degree in their chosen field of study.

Admissions Process for Incoming Freshmen

Prospective freshmen with outstanding High School GPAs and SAT/ACT scores are invited to join the Honors Program prior to enrolling at the College. They are not required to complete a separate application for admission to the Program, but they may be invited to submit materials to compete for additional academic scholarships awarded through the Honors Program.

Admissions Process for Current Students

Students who do not enter the Honors Program as first-semester freshmen but wish to join after enrolling at the College may apply through the Honors Program Director. The Honors Program admits a maximum of fifteen current students each year. Students wishing to enter the Honors Program must apply before they have completed 90 credit hours. Applications are accepted in April for the next academic year. Students must submit at least two letters of recommendation from current YHC faculty members who have taught them and a 500-1000 word essay explaining why they wish to join the Program. Students must also have a cumulative YHC GPA of 3.5 or better. Applications will be reviewed by the Honors Program Committee. After final grades have been submitted, the Honors Program Director will confirm students' GPAs with the Office of the Registrar and notify successful applicants.

Religious Life: 706-379-5166
Since the founding of the College in 1886 by a Methodist circuit-riding preacher, Rev. Artemas Lester, exploring life’s hard questions and engaging in a robust religious life has been an integral part of the Young Harris College experience.

As a natural outgrowth from our United Methodist heritage, The Office of Religious Life endeavors to create space and opportunities on campus where faith seeking understanding connects with life. Here at Young Harris College, we recognize that to be educated includes the transformation of how we think, what we believe, and what we do. The Office of Religious Life seeks to connect those three actions by integrating mind, spirit, and body; linking education, inspiration, and empowerment; merging the classroom, the chapel, and the community; connecting head, heart, and hand. This connection is the purpose of a transformative, liberal arts education. This connection is the purpose of faith. This connection is why we are here. To connect, join in weekly worship, find out about a local community worship, participate in one of our many student organizations, come to one of our special events or drop by the Campus Minister’s office. For more information about these programs and religious life at YHC, go to www.yhc.edu, click on the Student Life link and then on the Religious Life link.

Whether you come from a particular faith tradition or no tradition at all, you are welcome at the Office of Religious Life at Young Harris College.

**Residence Life: 706-379-5300**

The Office of Residence Life is committed to providing and maintaining a clean and safe living environment conducive to intellectual and personal growth, where students can live, study, and share ideas with peers, faculty, and staff whose culture, lifestyle, and opinions may be very different from their own. An environment of diversity is supported and celebrated.

The Department of Residence Life offers numerous opportunities for students to become involved, the first of which is the Resident Assistant (RA) position. Resident Assistants are a primary resource for students living on campus. These student leaders facilitate the development of community on their floor(s), suite(s), and building(s). He or she can assist you with personal or academic concerns and refer you to appropriate resources on campus. RAs are also excellent sources of information and advice about classes and ways to get involved in campus life. Another of the RA’s many responsibilities is to enforce College and Residence Life policies. In doing so, they assist in the maintenance of a clean, safe environment where all students can sleep, study, socialize, and live comfortably. For more information about involvement opportunities, contact your Resident Director or the Assistant Dean of Students.

**Rhetorica Program: 706-379-5333**

Young Harris College has developed a narrowly focused program within the academic curriculum to improve students’ written and spoken communication. The program, entitled *Rhetorica: The Art of Writing and Speaking at Young Harris College*, was initially developed as the College’s Quality Enhancement Plan (QEP), a component of the reaccreditation process required by all institutions of higher education accredited by the Southern Association of Colleges and Schools. The program’s title, taken from the Latin term for rhetoric, not only emphasizes the program’s encompassment of both writing and speaking, but also signals the program’s ties to the classical foundation of the liberal arts.

The Rhetorica Program includes two main components designed to improve students’ written and spoken communication: Writing and Speaking Intensive Courses and The Center for Writing and Speaking.

**Writing and Speaking Intensive Courses**

Each semester, professors volunteer to teach writing or speaking intensive versions of their courses. These courses are indicated in the course schedule with the following abbreviations: WI, SI, or WI/SI. These courses are not more difficult and do not require more work than “regular” courses. They simply include papers, presentations, or class discussion as part of the course requirements.

Each student who earns a degree from Young Harris College is required to complete a certain number of Writing and Speaking Intensive courses. Please see the *YHC Catalog* for details.
The Center for Writing and Speaking: 706-379-5120

The Center for Writing and Speaking (CWS) is designed to help students improve their performance on papers, presentations, and class discussion. Trained student tutors will review paper drafts, evaluate presentations, and explain discussion strategies to help students improve their performance on these assignments. Students who visit the CWS should bring a copy of the assignment and a draft of the paper or project they are working on.

The CWS is located adjacent to the Pruitt-Barrett Administration Building. For hours and other information, please see the CWS webpage on the Young Harris College website.

Rollins Planetarium & College Observatory: 706-379-5195

The Rollins Planetarium features a GOTO Chronos Space Simulator star projector. This state-of-the-art device uses light guided technology to project a realistic and beautiful starry sky. With high-speed, computer-calculated positioning, a simple click of a mouse sets the sky for any time in the past, present or future. Installed at Young Harris College in 2002, the projector was the first installation of the Chronos model anywhere in the world.

A Sky-Skan Definiti fulldome digital projection system was added in 2008. Representing the next generation in planetarium technology, the system creates an immersive and engaging image over the entire dome surface and a powerful “you-are-there” experience for the audience.

The Rollins Planetarium, located in the Maxwell Center, is open to the public at least 30 Friday evenings per year. Shows begin at 8:00 p.m., except during May, June and July, when shows begin at 8:30 p.m. Latecomers are not allowed entrance, so plan to arrive a little early to get the best seats. YHC students, faculty and staff are admitted free with ID. For others, regular admission is $3 for adults and $2 for students. If skies are clear, the Young Harris College Observatory, which is located nearby on the Brasstown Valley Resort property, will be open following the planetarium shows. You will be able to look through a telescope to observe planets, stars, clusters and many other astronomical phenomena. Contact the planetarium for a recorded message about the current show.

SERVE: 706-379-5110

(Service, Education, Responsibility, Voice, and Engagement)

Community service is vital to a liberal arts institution. Community service provides the occasion for holistic engagement—intellectually, spiritually and physically—in projects both within and beyond the campus. Moreover, community service challenges students to push outside themselves to care for others and to push inside themselves in examination of values and beliefs. In support of this, the Office of Campus Activities, the Bonner Leaders program, and the Office of Religious Life facilitate regular community service opportunities for the YHC community through an umbrella organization called SERVE.

Student Conduct Council: 706-379-5174

STUDENT LIFE POLICIES

Introduction
All students are expected to comply with the policies and procedures of the College. The Guide to Student Life contains the policies most relevant to students (“Student Life Policies”), the College catalog contains policies related to academics (“Academic Policies”) and the College’s website (www.yhc.edu) contains additional general policies. The policies of the College are under continual examination and revision.

The Guide to Student Life is not a contract; it merely presents the policies in effect at the time of publication and in no way guarantees that those policies will not change. The most up to date version shall be kept online at www.yhc.edu/gsl. Additionally, the College and its students, faculty, and staff are also subject to all local, state, and federal laws and statutes. Alleged violations of law by any student, whether on or off campus, are subject to internal College investigation, review, and action, including student conduct proceedings, in addition to any action by the proper civil authorities. Each member of the community is individually responsible for being informed of the law. Ignorance of federal, state, or local laws or College Policies will not be accepted as an excuse for prohibited conduct.

Student Life Policies are applicable to all Young Harris College students, visitors, and guests.

Student Rights and Responsibilities
At Young Harris College, a prevailing atmosphere of civility and mutual respect in service to the academic mission is expected. Admission to the Young Harris College community carries with it certain rights and responsibilities concerning personal conduct. These rights and responsibilities will remain in effect throughout the tenure of a student’s enrollment at Young Harris College, including during and between academic terms.

Students have the right to:

• Freely pursue their educational goals.
• Consistent and thoughtful evaluation of their academic work.
• Provide constructive feedback regarding teaching, curriculum, and College services via institutional evaluations and surveys.

Where appropriate and possible, instances of uncivil behavior involving students will be handled in personal and informal ways, not by formal and administrative procedures. Therefore, members of the Young Harris College community that have experienced uncivil behavior should first seek resolution by personal consultation with friends, faculty, designated advisers or others who may intervene in the dispute. If those efforts do not resolve the matter, instances of uncivil or inappropriate behavior may be reported to the Student Development Office. The Vice President for Student Development will take appropriate action by resolving the matter or referring the matter to other resources for informal resolution or, in appropriate cases, to the appropriate College office or student conduct body.
Information Concerning Alcohol and Drugs

Young Harris College is committed to supporting and complying with all applicable laws, including the Drug Free Schools and Communities Act, as an Institution of Higher Education. The law under this act now covers both drugs and alcohol, and relates to faculty, staff and students. Additional applicable sanctions under this Act may include loss of financial aid and/or termination of employment. College Policies concerning alcohol and drugs, as well as the consequences for violations, can be found under “Selected Policies and Procedures” later in this section.

Philosophy on Alcohol and Drugs

The College expects its students to comply with Federal and Georgia laws regarding drugs and alcohol. Additionally, Young Harris College is concerned with both the welfare of the College community and the academic and personal development of each student. The College strives to create a healthy environment where the illegal and/or improper use of alcohol or drugs does not interfere with learning, performance, or development. The abuse of alcohol and/or drugs disrupts this environment and places the well-being of the members of the College community at risk. It is important for all members of the community to take responsibility for preventing the illegal and/or improper use of alcohol or drugs from adversely affecting the community’s learning environment and the academic, physical, spiritual, and emotional well-being of its students. The use of alcohol by any student, regardless of age, is prohibited on campus.

Federal and State Laws Regarding Alcohol

Penalties for violations of law may involve serious fines, probation, jail time, and forfeiture of a driver’s license. Below is a brief synopsis of the state alcohol code (Georgia State Code Title 3) including penalties associated with violations:

- Possession or use of alcoholic beverages by persons under 21 years of age, or distribution of alcoholic beverages to persons under 21 years of age, is prohibited.
- Furnishing alcoholic beverages to persons who are underage or intoxicated is prohibited.
- The sale of alcoholic beverages without a license is prohibited. The sale of alcoholic beverages within 100 yards of a college campus in the State of Georgia is also prohibited, regardless of the existence of a license. “Sale” includes charging admission to any activity where alcoholic beverages are served, even if the beverage is “free” to those who have gained admission.
- Public intoxication and possession of an open container of an alcoholic beverage in public are prohibited in the State of Georgia.

Possible Legal Sanctions for Legal Convictions Regarding Alcohol

The sentence for a first conviction regarding alcohol is 30 days imprisonment or $300 fine or both. In addition to criminal penalties, anyone who furnishes alcohol to an underage person, knowing that such person will soon be driving, may become liable for injuries or damages caused by the underage drinking driver. Any person convicted of driving under the influence (DUI) of alcohol or drugs carries the following penalties:
First DUI conviction: Fine of no less than $300 nor more than $1000 and imprisonment for not less than 10 days nor more than 12 months
Second DUI conviction: Fine of $600 to $1000, prison for not less than 90 days
Third or subsequent DUI conviction: Fine of $1000 to $5000, prison for not less than 120 days
If a DUI causes the death of another person, the prison sentence is from 2 to 15 years.

Federal and State Laws Regarding Drugs
Georgia State Statutes make it unlawful to be under the influence of, use, possess, distribute, sell, offer, or agree to sell, or represent to sell narcotics, hallucinogens, dangerous drugs, or controlled substances, except where permitted by prescription or law. Young Harris College affirms these statutes and stands committed to cooperate with and involve civil authorities at any time. Dangerous drug refers to those drugs defined in the Official Code of Georgia Section 16-13-71.

Possible Sanctions for Legal Convictions Regarding Drugs
A federal or state drug conviction can disqualify a student for Federal Student Financial Aid funds. The period of ineligibility depends on whether the conviction was for sale or possession and whether the student had previous offenses, ranging from one year to an indefinite period of time.

Under Georgia criminal statutes, the penalties for drug offenses depend on the nature of the offense, the drug involved, whether the offense is a first or subsequent offense, and in some cases, the amount of the drug involved. Possible sanctions include imprisonment, forfeiture of property used to facilitate illegal possession, forfeiture of vehicles and other conveyances used to transport or conceal controlled substances, civil fines, denial of Federal benefits including student loans, grants and contracts, ineligibility to receive or purchase firearms, and denial or revocation of certain Federal licenses and benefits (e.g. pilot licenses, public housing, etc.).

In addition, in accordance with the Georgia law, any student convicted of a felony that involves the manufacture, distribution, sale, possession or use of a controlled substance or other illegal drug, or student organizations involved in these activities will be subject to specific penalties required by state law, federal law, or both.

For more information, federal penalties can be found at:
http://www.justice.gov/dea/agency/penalties.htm

Health Risks Associated with Alcohol and Other Drug Use
The following list describes some of the health hazards that are associated with alcohol and other drug use. This listing includes substances, both legal and illegal, that are most commonly found on college campuses.

Stimulants
Drugs classified as stimulants speed up central nervous activity. Excess use causes dizziness, anxiety, impaired coordination, sleeplessness, and hallucinations. Prescription drugs in this category include Ritalin and Adderall, which when mixed with alcohol can cause serious health consequences up to and including death.

- **Amphetamines (Benzedrine, Dexedrine, methadrine, diet pills, MDMA):** Effects include rushed and careless behavior, euphoria, increased alertness, talkativeness, stimulated heart, increased adrenaline, insomnia, and restlessness. Common complications can include nervousness, paranoia, hallucinations, dizziness, tremors, decreased mental ability, sexual impotence, seizures, and death from an overdose.

- **Cocaine (cocaine powder, crack, free-based coke):** Effects include brief euphoria, increased energy and sense of power, restlessness, surface anesthesia, and suppressed appetite. Common complications include tremors, nasal bleeding, inflammation and perforation, loss of brain function, toxic psychosis, seizures, depression (particularly afterward), confusion, and death from an overdose (heart or respiratory failure) or impure supply.

- **Nicotine (cigarettes, dip, chew, snuff):** Takes an almost immediate effect on the central nervous system. When smoked, nicotine travels through the bloodstream twice as quickly as injected heroin, reaching the brain within seven seconds. Tobacco, both smoked and smokeless, is the leading cause of cancers of the cheeks, gums, palate, tongue, and lips.

### Depressants

Drugs classified as depressants slow down the central nervous system, reduce heart rate and blood pressure. Even small doses can produce depression, drowsiness, and irrational behavior.

- **Alcohol (beer, wine, liquor, some medications for coughs, colds, and congestion):** Absorbed into the bloodstream and transmitted to all parts of the body, most significantly affecting the brain. It is classified as a psychoactive drug because of its effects on the mind and behavior. Small to moderate doses reduce physical coordination, mental alertness, cause staggering, slurred speech, and slow reaction time. Larger doses can cause mood swings, memory blackouts, unconsciousness, and even death. Common complications include dehydration, hangover, long-term heart, brain, circulatory, liver damage, and cancer. Overdose or mixing with other depressants can cause respiratory failure.

- **Narcotics/Opiates (heroin, oxycodone, hydrocodone, morphine, opium, codeine, methadone, Demerol):** Depress blood pressure and breathing, elevate pulse, relax muscles, and reduce pain. They also produce euphoria, nausea, drowsiness, and slurred speech. Common complications include respiratory and circulatory depression, dizziness, vomiting, sweating, dry mouth, lowered libido, and complications from injection.
• Cannabis (marijuana, hashish, hashish oil, tetrahydrocannabinol/THC): Effects include higher blood pressure, heightened senses, distorted perception, impaired memory and psychomotor skills, euphoria, increased heart rate and appetite, dilated pupils, and memory impairment. Common complications include possible lung damage, reduced sperm count and sperm mobility, changes in ovulation cycles, and damage from impure doses.

• Tranquilizers (Valium, Librium, Rohypnol (roofies), Thorazine): Immediate effects include relief of tension and anxiety and drowsiness. Complications and long term effects can include a hangover, menstrual irregularities, destruction of blood cells, jaundice, and coma. Especially dangerous when used with alcohol.

Other Drugs
• Hallucinogens (LSD, Ketamine, PCP, psilocybin, MDA, mescaline (peyote), DMT, SPC, ecstasy): Produce auditory and visual hallucinations and a distorted perception of time and space. Hallucinogens elevate blood pressure, dilate pupils, and cause dizziness. Common complications include depression, paranoia, physical exhaustion after use, psychosis (freaking out), exaggerated body distortion, fear of death, and flashbacks.

• Anabolic Steroids (HGH, steroids): Many of these drugs are synthetic copies of the male hormone testosterone. Regular use can cause acne, sexual impotence and damage to the heart, lungs, and kidneys. Users may also experience psychosis, delusions, paranoia, and hallucinations.

• Synthetic Cannabis (synthetic, marijuana, K2, Spice, Incense): The product is generally made up of various herbs sprayed with synthetic chemicals causing effects similar, but not identical, to marijuana. Georgia HB 1309, signed into law in 2010, classifies these such substances in the same schedule 1 controlled substance category as heroin and LSD.

• Inhalants (nitrous oxide, chlorohydrocarbons (used in aerosol sprays), hydrocarbons (found in gasoline, glue, and paint thinner), amyl nitrate): Immediate effects include nausea, nosebleeds, fatigue, lack of coordination, and sneezing. Excessive use can cause pressure behind the eyes, headache, vomiting, and sometimes blackouts. Long-term use can damage kidneys, bone marrow, and the brain.

Treatment and Educational Programming
Alcohol and drug abuse are prohibited not simply because they are in violation of the law, but because of the demonstrated health risks associated with their use. Young Harris College is committed to providing accurate and up-to-date information regarding dangerous substances, as well as the risks and potential consequences of their use. For students seeking assistance with suspected drug or alcohol problems, the offices of Counseling and Psychological Services (CAPS) and Health and Wellness Services are available for initial dialogue and assistance in defining the extent of any problem. If a substance abuse problem is determined to exist, referral may be made to a local or
state alcohol and drug service or other certified rehabilitation programs. Treatment and educational options can be found in Title 26 Chapter 5 of the Georgia State Code.

The complete Georgia State Code, including laws, penalties, and treatment options, can be found at: http://www.lexis-nexis.com/hottopics/gacode/default.asp.

The Application of Student Life Policies and Procedures

College Policies, including Student Life Policies shall apply to conduct that occurs on College premises, at College-sponsored activities, and to off-campus conduct that adversely affects the YHC Community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). College Policies apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

The Vice President for Student Development:
• Is designated by the Young Harris College President as responsible for the administration of Student Life Policies and any College Policies concerning student conduct;
• Decides whether College Policies shall be applied to conduct occurring off campus, on a case-by-case basis, in his/her sole discretion;
• Has jurisdiction over all non-academic matters;
• Ensures that the Student Conduct Council will develop policies for the administration of the Student Conduct System and procedural rules for student conduct hearings that are not inconsistent with the provisions of College Policies.

Violations of Academic Policies, such as cheating and plagiarism, shall fall under the jurisdiction of the Vice President for Academic Affairs and the Honor Council. For more information contact the Office of Academic Affairs at 706-379-5171.

Violation of Law and YHC Student Conduct

Young Harris College as an entity supports the enforcement of the laws and regulations of the United States, the State of Georgia, Towns County, and the City of Young Harris. Each student and employee, as a responsible member of the College community, is expected to do the same. Any student found to have committed or attempted to commit a violation of federal, state, or local law may be subject to disciplinary action by the College.

Young Harris College student conduct proceedings may be instituted against a student involved in conduct that potentially violates both the criminal law and College policy (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under the College Policies and procedures may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President for Student

For more information regarding Academic Policies, please refer to the above documents located online or contact the Office of Academic Affairs at 706-379-5171.

**Administrative Search**
The College believes that students should be protected from unreasonable search and seizure. When deemed necessary by College officials, however, personnel are authorized to enter a suite/apartment, room or vehicle to conduct a search. Suite/apartment and rooms searches may be conducted whether or not the occupants are present. Room, person, and vehicle searches and seizures of contraband, stolen items, or any items found in violation of College Policy shall be conducted only by authorized representatives of the College in the completion of job-related responsibilities or in cooperation with local law enforcement. The College shall not conduct searches without just cause.

**Alcohol**
The possession, consumption, distribution, sale, or manufacture of any alcoholic beverage is prohibited on campus, including all campus owned facilities and property, and at College-sponsored events where students are present.

- Alcoholic beverages may not, in any circumstance, be used by, possessed by, or distributed to any person under twenty-one (21) years of age. Nor may any student, regardless of age, possess or consume alcohol on College property.
- Public intoxication, consumption, display of alcoholic liquors, wines, beer, or alcohol paraphernalia (i.e. shot glass, flask, funnel, tap, or items possessing an alcohol related logo) on campus is prohibited.
- If empty or full alcoholic beverage containers (including collectibles and organizational pass downs) and/or paraphernalia for use or abuse of alcohol are found in any suite or room, all occupants of that suite or room shall be held accountable. Claiming that the alcohol containers are present for other purposes, including recycling, decorative, organizational pass downs, or disavowing any knowledge of how the containers got in a particular suite or room is not acceptable justification.
- It is to be clearly understood that each officially assigned occupant of a suite or room is responsible for what takes place in that area; therefore, if alcoholic containers are found in a suite or room, even if an occupant is not present at time of discovery or
incident, all residents may be charged accordingly.

- If a student is present in a room or suite where alcohol consumption, or the presence of alcoholic containers, is found, that student may be charged accordingly.

**Possible Sanctions for Campus Alcohol Policy Violations**

When violations of the Alcohol Policy are discovered, the Young Harris College Police may be asked to participate in the investigation. Suspected violators of state and/or federal alcohol laws may be subject to arrest as well as the College student conduct procedures. Within the Student Conduct System, violations of the Alcohol Policy will be handled on a case-by-case basis. As a general practice, the following sanctions will serve as a guide:

- **1st Offense:** $100 fine, alcohol education program, and notification to parents of dependent students under 21

**Annual Security and Fire Safety Report**

In compliance with the Jean Clery Disclosure of Campus Security Policy and Crime Statistics Act, crime and fire statistics are compiled by the Office of Student Development in cooperation with the YHC Police Department and relevant state and local agencies. The Office of Student
Development, in conjunction with the YHC Police Department, prepares and publishes the College’s Annual Security and Fire Safety Report each October containing statistics from the previous year. The current report is available online at www.yhc.edu/clery, in the Office of Student Development, or in the YHC Police Department.

Community and Shared Responsibility
All students are responsible for upholding and reinforcing the College Policies. Students who knowingly act in concert to violate College Policy will be held jointly responsible for such violations. Students are responsible for the conduct of their guests on or in College property and at functions sponsored by the College or any recognized student organization activity or function. Shared responsibility applies to both disciplinary action and monetary fines.

Allowing the existence of behaviors, failing to immediately remove oneself from a situation when a violation is being committed, or failure to report a behavior that violates College Policy is in itself a violation of College Policy. In addition, students present, but not observed participating in inappropriate behavior or in possession of prohibited items/objects, are in violation of College Policy.

Discrimination
Young Harris College does not discriminate on the basis of race, color, religion, sex, age, national origin or ancestry, physical or mental disability, veteran status, genetic information and any other basis protected by federal, state, or local laws in the administration of its scholarship and loan program, admission, athletic, or other school administered College programs.

It is expected that persons connected with Young Harris College should treat all individuals with respect and dignity. As a collegiate community, the College will not support or condone behaviors that violate the integrity of any individual or group. Reasonable limitations may be placed on the time, place, and manner of speeches, demonstrations, distribution of written material, and marches in order to serve the interests of health and safety, prevent disruption of the process, and protect against invading the rights of others. All events shall have a predetermined day, time, and place approved by the Vice President for Student Development at least 3 business days prior to the event.

**How to File a Discrimination or Academic Grievance**

Students have the right to bring grievances to the attention of the Administration. A student who has a complaint about a faculty member, administrator, staff member, student, third party, or College program, policy or procedure should report the complaint to the appropriate administrator listed in the Discrimination Policy, above, except that students with complaints regarding sexual misconduct or harassment that is sexual or discriminatory in nature should follow the procedures set forth in the Sexual Misconduct and Harassment Policies in this guide.

1. The College will issue a written notice indicating receipt of the grievance.
2. The College will initiate an investigation within ten (10) days of receipt of the grievance.
3. The investigation will be conducted in an impartial manner, and will utilize an impartial decision-maker. The investigation process will allow the parties to submit evidence and witness testimony.
4. Any attempts to resolve the matter informally must be strictly voluntary and facilitated by a College staff member. The student making the complaint will be informed of his or her right to end the discussion at any time.

5. It is recommended, but not required, that the complaint be made in writing, describe the particulars of the allegations in detail, and be signed and dated by the complainant.

6. The appropriate Vice President or Coordinator will investigate the grievance and serve as the contact person for the duration of the investigative process.

7. Upon completion of the investigation, the parties will be provided with a written response concerning the resolution of the complaint. This will occur no later than thirty (30) working days from the College’s receipt of the complaint, unless additional time is required and the time of a later response is provided to the parties in writing.

8. Based upon the outcome of the investigation, the College will take all steps necessary to prevent the recurrence of the discrimination and to correct the discriminatory effects on the complainant and others, if appropriate.

9. If the student is not satisfied with the College’s resolution of the complaint, or if a response was not provided as required by Section 7, the student may appeal to the President of the College. Any appeal must be in writing and received by the President no later than ten (10) working days from the date of the written response or the date by which the written response was to have been received, and must state the reason why the student is not satisfied with the College’s resolution of the complaint.

10. The President will provide a written response to the appeal within ten (10) working days from receipt unless additional time is required, in which case, the student will be notified in writing of how much additional time is needed.

11. The President’s decision on appeal is final.

12. If the complaint involves either the Vice President for Academic Affairs or the Vice President for Student Development, the President of the College will investigate the complaint. The student will receive a written response to his or her complaint.

13. If the complaint involves the President, the Chair of the Board of Trustees will investigate the complaint. The student will receive a written response to his or her complaint.

14. If the President investigates the complaint, the appeal will be processed by the Trusteeship Committee of the Board of Trustees. The student will receive a written response to his or her appeal.

15. With regard to allegations of unlawful discrimination, retaliation against the student making the complaint or individuals participating in the investigation is prohibited and should be reported to the designated Vice President or Coordinator or to the President.

Harassment

Young Harris College is committed to an atmosphere of human dignity in which effective collegial relationships are based on mutual respect. The College prohibits harassment based on race, color, religion, sex, age, national origin or ancestry, physical or mental disability, veteran status, genetic information and any other basis protected by federal, state, or local laws.

Examples of harassment include, but are not limited to:

- Verbal conduct such as threats, epithets, derogatory comments, jokes or slurs.
- Visual conduct such as derogatory or offensive pictures, posters, photographs, cartoons, drawings, objects or gestures and sending or displaying derogatory emails.
- Physical conduct such as assault, unwanted touching, or blocking normal movement.

In addition, unwelcome sexual advances, requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature may constitute sexual harassment or sexual assault (see Sexual Misconduct Policy), and are violations of this policy.

Retaliation for reporting harassment or threatening to report harassment is also a violation of this policy, and the procedures set forth in this policy will be applied to claims of retaliation.

Harassment violates a person’s rights and can create an environment that is hostile, offensive, or intimidating. Due to the effect harassment can have on the campus environment, prompt and immediate action will be taken to rectify it.

How to File a Harassment Complaint:

The College’s student complaint procedure provides for a prompt, thorough, and objective investigation of any claim of prohibited harassment, appropriate disciplinary action against one found to have engaged in prohibited harassment, and appropriate remedies for any victim of harassment. A claim of harassment may exist even if the student has not lost a job or other academic benefit.

1. If a student believes that he or she has been harassed, or is aware of the harassment of other students, he or she should report, without fear of reprisal, the alleged conduct to his or her supervisor (if the behavior is related to a campus student job and the supervisor is not the individual accused of harassment or condoning harassment), or to the appropriate administrator listed in the Discrimination Policy, above, as soon as possible. The report should include as much detail as possible, such as the names of individuals involved, the names of any witnesses, direct quotations if language is relevant, descriptions of any conduct or gestures, and any documentary evidence (notes, pictures, cartoons, etc.) the student may have or is aware of.

2. All incidents of prohibited harassment will be investigated as soon as possible, but no later than ten (10) working days from the date of receipt of the complaint. If more time is needed, a notice will be issued in writing to the complainant. The College may take interim steps pending investigation, as appropriate. The College will conduct a thorough
and objective investigation of the harassment allegations, regardless of whether such complaints are communicated verbally or in writing. The parties will have the opportunity to submit evidence and witnesses, and the investigation will be conducted by an impartial decision maker. The College will protect the confidentiality of students reporting suspected violations of this policy to the extent possible consistent with its investigation.

3. The College will make a determination as soon as possible, but in any event no longer than ten (10) working days following the conclusion of the investigation, regarding the reported harassment, and communicate the determination in writing to the student who complained and to the accused harasser(s). The College will take appropriate action to remedy any harassment and to prevent any future harassment. If a complaint of prohibited harassment is substantiated, appropriate disciplinary action, up to and including expulsion (if the accused harasser(s) is a student) or discharge (if the accused harasser(s) is a College employee) will be taken and communicated to the student who complained.

4. If a student is not satisfied with the College’s resolution of his or her harassment complaint, the student may follow the appeal procedure set forth in “How to File a Discrimination or Academic Grievance”, above.

5. If the behavior or harassment continues after the College has taken appropriate action to stop it, the student should report the continuing harassment as soon as possible to the appropriate administrator listed in the Discrimination Policy, above.

6. Any student who makes a good faith complaint regarding alleged harassment will be protected from retaliation or student conduct charges related to the making of the complaint (see Immunity for Victims Policy). Any student who is found to have made a false charge of harassment will be subject to referral to the Student Conduct System (see Falsification Policy).

7. Employee harassment complaint procedures are contained in the Employee Handbook.

**Hazing**

Young Harris College strictly prohibits hazing of any kind. Student organizations as a whole and/or individual members of any student organization will be held accountable for violations of federal, state, and local law and the College Policy as it relates to hazing. The College upholds the position on hazing adopted by the Association of Fraternity Advisors (www.fraternityadvisors.org) and Fraternal Information and Programming Group (www.fipg.org). However, for brevity the following policy should be the guideline used by all student organizations. Enforcement of this policy comes under the jurisdiction of the Vice President for Student Development or his/her designee. In this regard, the College defines hazing as follows:

*Any activity or situation intentionally or unintentionally created, with or without consent, whether on or off the organization’s premises, which endangers the mental or physical health of participants; which provides physical discomfort; which subjects the individual to embarrassment, harassment, or ridicule; which creates excessive fatigue, physical, or*
psychological shocks to the individual; which requires participation by the individual in quests, treasure/scavenger hunts, stunts, morally degrading or humiliating games and activities, road trips or any other such activities; which requires late or early work sessions or any activity which is not consistent with the academic achievement, laws, rituals, and/or policies of the organization or the regulations and College Policies or applicable state law.

State Law
State of Georgia Hazing Law - OCGA16-5-61.
1. As used in this Code section, the term:
   a. "Haze" means to subject a student to an activity which endangers or is likely to endanger the physical health of a student, regardless of a student's willingness to participate in such activity.
   b. "School" means any school, college, or university in this state.
   c. "School organization" means any club, society, fraternity, sorority, or a group living together which has students as its principal members.
   d. "Student" means any person enrolled in a school in this state.
2. It shall be unlawful for any person to haze any student in connection with or as a condition or precondition of gaining acceptance, membership, office, or other status in a school organization.
3. Any person who violates this Code section shall be guilty of a misdemeanor of a high and aggravated nature.

Any individual member or members of the organization participating in hazing activities will forfeit the organization’s campus privileges, including its right to license or exist on campus. The express or implied consent of the victim will not be a defense. Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this policy. In addition, students that allow themselves to be hazed without notifying the Vice President for Student Development or the Director of Campus Activities may be held accountable for participating in hazing.

The following are examples of conduct which are hazing activities:
   a. Actions that recklessly or intentionally endanger the physical and mental health or safety of students;
   b. Forced or required consumption of any food, drug, or any other substance;
   c. Forced or required participation in physical activities, such as calisthenics, exercises, or so-called games;
   d. Exposure to the weather;
   e. Excessive fatigue resulting from sleep deprivation, physical activities, or exercises;
   f. Assignment of activities that would be illegal or unlawful, or might be morally offensive to the individual;
   g. Physical brutality, including paddling, striking with fists, open hands, or objects, and branding;
   h. Kidnapping, transporting, or stranding of individuals (“road trips”);
   i. Verbal abuse including “line-ups” and berating of individuals;
j. Forced or required conduct that could embarrass or adversely affect the dignity of the individual, including the wearing of apparel that is conspicuous or extraordinary, or the performance of public stunts and activities;
k. Forced servitude including errands and clean-up activities;
l. The intentional creation of clean-up work or labor for new members by active members or alumni;
m. Denial of sufficient time to study;
n. Nudity or lewd behavior;
o. Any activity, ceremony, or ritual using live animals;
p. Any other activities not consistent with the philosophy and policies of the College.

Is it Hazing?
Five possible questions to ask to determine if it’s hazing?

1. Will active/current members of the organization refuse to participate with the new members and do exactly what they’re being asked to do?
2. Is there risk of injury or a question of safety?
3. Would you object if the activity were featured in the newspaper or on a local TV news program?
4. Would you have any reservation about describing and justifying the activity to your parents, to a professor, or to the President of the College?
5. Would you have any reservations informing the Office of Campus Activities what you are doing?

If the answer to any one of these simple questions is “yes,” the activity is probably hazing. You should be proud of all the activities you ask your new members to do.

How to Report Hazing
Georgia law makes hazing illegal and Young Harris College strictly prohibits hazing of any kind. Any violations or suspected violations of the law or College Hazing Policy should be reported immediately to the Office of Campus Activities or the Student Development Office. The Division of Student Development staff will carefully investigate all complaints and take necessary actions upon verification of violation. Student athletes may also contact the Athletic Director or specific coach to report an incident of hazing.

Any student who believes they are a victim of hazing has the right to file a police report regardless of whether or not they make a complaint with the College.

To report an incident:
• YHC Police Department:
  o Emergency: 911
  o Non-emergency: 706-379-4569 (8:00am-5:00pm) or 706-896-7460 (after 5:00pm).
• Student Development Office: 706-379-5118
• Office of Campus Activities: 706-379-5110
• NCAA Athletics: 706-379-5296 or the sport coach.
When reporting an incident:

- Indicate who was involved, what happened, and when and where it occurred.
- Include your name, phone number, and e-mail address.
- Provide contact information of all witnesses.
- An anonymous report may be filed, and all appropriate steps will be taken to protect the confidentiality of anonymous reporters. However, the quality and outcome of the College’s investigation of an alleged hazing incident may be affected by the need to protect the identity of anonymous reporters.

Immunity for Victims

Young Harris College encourages the reporting of conduct violations and crimes that occur on campus or against any student. A victim might be hesitant to report a crime to a College official in fear of receiving a policy violation themselves (i.e. underage drinking at the time of a sexual assault). It is in the best interest of the community that any victim of a crime reports the incident to a College official. To encourage reporting, Young Harris College pursues a policy of offering victims of crimes amnesty from policy violations related to the incident as determined by the Vice President for Student Development.

Information Technology Acceptable Use

The Young Harris College Acceptable Use Policy (“AUP”) promotes the efficient, ethical, and lawful use of Young Harris College’s information technology resources (“IT Resources”), including the College’s computing systems, networks, and associated facilities are intended to support the College’s mission and to enhance the educational environment. Any use of the IT Resources deemed inconsistent with the mission and purpose of the College will be considered a violation of this policy.

Scope

- Rights & Responsibilities
- Prohibited Use of IT Resources
- Provisions for Private Computers Connected to the College Network
- Electronic Mail
- File Sharing and Copyright Infringement
- Reporting Violations of Acceptable Use Policy
- Disciplinary Action
- Indemnification/Liability Statement

This policy applies to anyone who uses the College’s IT Resources. The IT Resources covered by this policy include, but are not limited to: computer hardware and software, telephone and data networks, and electronically stored data. Use of these resources includes access from off campus and on campus, as well as access from privately owned PCs and laptops.

Rights & Responsibilities
Employees and students may use College’s IT Resources for instructional, research, or administrative purposes. Access to and use of the IT Resources and the Internet shall comply with federal laws, Georgia law, and College Policies, including the College’s Intellectual Property Policy (“IP Policy”). Misuse of the IT Resources could result in criminal charges. By using the IT Resources, all users agree to the rules, regulations, and guidelines contained in this Acceptable Use Policy.

Computers and networks provide access to resources on- and off-campus, as well as the ability to communicate with other users worldwide. Such open access is a revocable privilege and requires that individual users act responsibly. This AUP is intended to supplement other College Policies and does not release users from compliance with any existing policies that address issues such as harassment, academic dishonesty, and plagiarism.

The College’s computers and networks are shared resources, for use by all employees and students. Any activity that inhibits or interferes with the use of these resources by others is not permitted. The College will ensure reasonable use by monitoring access logs, traffic data, and network utilization.

Users are responsible for all activities to and from their network accounts. Users must take every precaution to protect logins and passwords. Under no circumstances should a user allow someone else to share a network or e-mail account.

Users should not assume or expect any right of privacy with respect to the IT Resources. Although the College does not seek to monitor the communication of its employees or students, system administrators may access or examine files or accounts that are suspected of unauthorized use or misuse, that have been corrupted or damaged, or that may threaten the integrity of the College’s computer systems. In addition, files, e-mail, access logs, and any other electronic records may be subject to search under court order.

**Prohibited Use of Information Technology Resources**

It is a violation of this policy to:

- Gain access by willfully exceeding the limits of authorization.
- Attempt (even if unsuccessful) to gain unauthorized access through fraudulent means.
- Gain access by using another person’s name, password, access codes, or personal identification.
- Attempt (even if unsuccessful) to gain unauthorized access by circumventing system security, uncovering security loopholes, or guessing passwords/access codes.
- Give or publish a password, identifying code, personal identification number or other confidential information about a computer, computer system, network or e-mail account, or database.
- Install any software on computer systems in the computer labs, unless authorized by a member of the information technology staff.
- Transfer copyrighted materials to or from any system, or via the College network, without the express consent of the owner of the copyrighted material. (See section entitled “File Sharing and Copyright Infringement.”)
• Provide outside access to College-developed or commercially-obtained network resources.
• Intentionally or negligently use computing resources in such a manner as to cause congestion and performance degradation of the network.
• At no time may unauthorized wireless equipment be placed on any portion of the campus network including (but not limited to) student rooms and faculty and staff offices. An unauthorized wireless device is defined as being any device that extends the campus network using the air as a medium. This includes (but is not limited to) access points, bridges, repeaters, and client devices operating in access point and ad hoc modes.
• Intentionally and without authorization, access, modify, damage, destroy, copy, disclose, or take possession of all or part of any computer, computer system, network, software, data file, program, or database.
• Use any College IT resource for commercial, political, or illegal purposes, or for harassment of any kind.
• Display obscene, lewd, or otherwise offensive images or text.

Provisions for Private Computers Connected to the College Network
The following apply to anyone connecting a private computer to the College network via the College network, wireless LAN connection, or a regular network connection in an office.

The owner of the computer is responsible for the behavior of all users on the computer, and all network traffic to and from the computer, whether or not the owner knowingly generates the traffic.

A private computer connected to the network may not be used to provide network access for anyone who is not authorized to use the College systems. The private computer may not be used as a router or bridge between the College network and external networks, such as those of an Internet Service Provider.

Should the IT staff have any reason to believe that a private computer connected to the College network is using the IT Resources inappropriately, network traffic to and from that computer will be monitored. If justified, the system will be disconnected from the network, and action taken with the appropriate authorities.

Any residential student, with an authorized network account, may use the in-room network connection for scholarly purposes, for official College business, and for personal use, so long as the usage: (1) does not violate any law or this policy, (2) does not involve extraordinarily high utilization of the IT Resources or substantially interfere with the performance of the College network, and (3) does not result in commercial gain or profit.

Users are responsible for the security and integrity of their systems. In cases where a computer is "hacked into," it is recommended that the system be either shut down or be removed from the campus network as soon as possible to localize any potential damage and to stop the attack from spreading. If you suspect electronic intrusion or hacking of your system and would like assistance, contact the Office of Information Technology at (706) 379-5212.
All computers connected to the College network must have the latest patches, security updates, and current anti-virus software. The college uses a network access tool that will check for the latest patches, security updates, and anti-virus software installed. Only systems that meet the required criteria will be allowed access to the College network.

The following types of servers should never be connected to the College network: DNS, DHCP, BOOTP, WINS, or any other server that manages network addresses.

**Electronic Mail**
The College e-mail system is not a private secure communications medium. As such, e-mail users cannot expect privacy. By using the College e-mail system, each user acknowledges:

The use of electronic mail is a privilege not a right. E-mail is for college communication, research, or campus business. Transmitting certain types of communications is expressly forbidden. This includes messages containing chain letters, pyramids, urban legends, and alarming hoaxes; vulgar, obscene or sexually explicit language; threatening or offensive content; derogatory, defamatory, sexual, or other harassment; and discriminatory communication of any kind. As with other IT Resources, the use of e-mail for commercial or political purposes is strictly prohibited.

Under the Electronic Communications Privacy Act, tampering with e-mail, interfering with the delivery of e-mail, and using e-mail for criminal purposes may be felony offenses, requiring the disclosure of messages to law enforcement or other third parties without notification.

E-mail messages should be transmitted only to those individuals who have a need to receive them. Distribution lists should be constructed and used carefully. E-mail distribution lists should be kept current and updated regularly. Inappropriate mass mailing is forbidden. This includes multiple mailings to newsgroups, mailing lists, or individuals (e.g., "spamming," "flooding," or "bombing").

All users of the College e-mail system waive any right to privacy in e-mail messages and consent to the access and disclosure of e-mail messages by authorized College personnel. Accordingly, the College reserves the right to access and disclose the contents of e-mail messages on a need-to-know basis. Users should recognize that under some circumstances, as a result of investigations, subpoenas, or lawsuits, the College might be required by law to disclose the contents of e-mail communications.

The Young Harris College-based email system is the official communication resource for the College. Students are expected to check their email on a frequent and consistent basis in order to stay current with YHC-related communications.

**File Sharing and Copyright Infringement**
Federal copyright law applies to all forms of information, including electronic communications. The IP Policy requires, among other things, that all members of the College community abide by the copyright laws of the United States. Members of the College community should be aware
that copyright infringement includes the unauthorized copying, displaying, and/or distributing of copyrighted material. All such works, including those available electronically, should be considered protected by copyright law unless specifically stated otherwise. The College has also developed the IP Resource Materials to assist members of the College community in understanding the basics of copyright law and the exceptions that permit the fair use of works that are otherwise protected by copyright laws.

Any use of the Young Harris College network, e-mail system, or Web site to transfer copyrighted material including, but not limited to, software, text, images, audio, and video is strictly prohibited. Therefore, the use of popular file sharing programs such as KaZaA, Morpheus, iMesh, Lime Wire, Bit Torrent etc. is, in most cases, a violation of the College’s IP Policy and federal law.

Anyone using the IT Resources to commit acts of copyright infringement will be subject to the College’s Student Conduct Process. Additionally, acts of piracy are violations of state and federal laws, and as such, may result in civil and criminal liability. Unauthorized distribution of copyrighted materials, including peer-to-peer file sharing, may subject the individual to civil and criminal liabilities. Those who copy and distribute copyrighted material without legal permission may be found liable for civil or criminal copyright infringement. Civil penalties may include actual damages and profits or statutory damages (ranging from $750 to $30,000 per work that is infringed). Moreover, the court can also award reasonable attorney’s fees and costs and increase the damages in the case of a willful infringement. Criminal penalties can include fines and imprisonment.

Suspected copyright infringement should be reported to the Office of Information Technology.

**Reporting Violations of IT Acceptable Use Regulations**
Violations of this Acceptable Use Policy should be reported immediately to the Vice President for Campus Technology and/or the Vice President for Student Development. The College will make every effort to maintain confidentiality to the extent possible consistent with other obligations.

**Disciplinary Action**
Violations of these regulations will result in the appropriate disciplinary action, which may include loss of computing privileges, suspension, termination, or expulsion from the College, and legal action.

**Indemnification/Liability Statement**
Young Harris College makes absolutely no warranties of any kind, either express or implied, for the Internet services it provides. The College will not be responsible for any damages suffered by users including, but not limited to, any loss of data resulting from delays, non-deliveries, user errors, or service interruptions.

The College is not responsible for the accuracy or quality of information obtained through its Internet services, including e-mail. Users assume responsibility for any damages suffered as a result of information obtained through these sources.
The user agrees to indemnify and hold harmless Young Harris College, the Board of Trustees, and College employees from and against any claim, lawsuit, cause of action, damage judgment, loss, expense, or liability resulting from any claim, including reasonable attorneys’ fees, arising out of or related to the use of the college’s hardware, software, and network facilities. This indemnity shall include, without limitation, those claims based on trademark or service mark infringement, trade name infringement, copyright infringement, defamation, unlawful discrimination or harassment, rights of publicity, and invasion of privacy.

**Keys/YHC One Card**

Any key or ID issued by Young Harris College is the sole property of the College and shall be returned to the issuing College official or office according to the terms of issuance. **Duplication of any Young Harris College key is strictly prohibited.**

**Medical/Mental Health Withdrawal**

The academic and personal success of a student may be impacted by his/her mental or physical welfare. When, as determined by the College, a student may be a danger to him/herself or to others, when a mental or physical illness is beyond the College’s capacity to address, or when a mental or physical illness disrupts the student’s or other community member’s ability to participate in the educational mission of the College, steps may be taken by College officials to remove the student from campus housing, classes, and/or campus. In consultation with the Director of Counseling and Psychological Services and/or the Director of Health and Wellness Services, the Vice President for Student Development or a designee may require the student to provide an evaluation from a qualified medical professional at the student’s expense to determine continued enrollment status. Attempts will be made to contact legal guardians if it is determined by College officials that the student is incapable of caring for him/herself. Consideration of a medical or mental health withdrawal does not preclude a student from being charged, as determined by the Vice President for Student Development, with a violation of College Policy.

**Posting**

The purpose of this policy is to establish a balance between efficiently disseminating information and maintaining the aesthetic appearance of the College environment. The posting of printed literature, posters, placards, and banners on campus must be approved by the Office of Campus Activities. The posting of non College related materials is limited to designated areas. Posting in residential areas must be approved by the Director of Residence Life. Department and office boards are maintained by the respective department/organization and are not available for general use, unless prior approval is granted.

The College encourages sensitivity to all members of our diverse community in postings and prohibits profanity or prejudicial content in advertising. It is expected that individuals respect the goals of building and maintaining a dynamic college community. Postings that contain subject matter demonstrating lack of thought, common sense, or good judgment contradict the values and goals of the community. Individuals should consider the impact of their words. While individuals may have a right to post something, they also have a responsibility as
members of the Young Harris College community to review the impact before submission for posting. In addition, the Student Development team is committed to sustainable practices. Please consider the impact on the environment as you make decisions regarding printing and distributing flyers. Events approved by the Director of Campus Activities are automatically placed on YHC Connect.

All public notices or publicity material posted on College property must be sponsored by a recognized student organization, College department, or otherwise approved by the Director of Campus Activities. In addition, advertising that promotes the use and/or sale of alcohol is prohibited. Publicity should bear the following information:

1. Name of the activity
2. Date and time of the activity
3. Place of the activity
4. Name of the person or organization responsible for the activity

Any general questions about the Young Harris College Posting Policy should be directed to the Director of Campus Activities at 706-379-5110.

**Approval**

- Materials may be posted for a maximum of two weeks.
- All materials advertising campus events must include the name of the sponsoring organization, group or department, title of event, location, and event start and end times.
- **All flyers, handbills, banners, and notices to be posted on the campus of Young Harris College must be submitted to the Office of Campus Activities a minimum of five (5) business days before the expected posting date for approval.** The original must be approved and stamped PRIOR TO PRINTING.
- For all recognized student organizations and clubs, approval must be obtained from the Office of Campus Activities (approval/date stamp on flyer, poster, or banner). Recognized student organizations and clubs MUST be registered with the Office of Campus Activities in order to post flyers/banners on campus.
- Flyer size for bulletin boards is limited to 8 1/2 by 11" or 8 1/2 by 14" for all postings. Exceptions: College sponsored or external events that have preprinted posters size 11 x 17".
- Flyers/postings will not be rejected as long as all information presented is true and not libelous; must not be inconsistent with the College academic mission College Policies; and does not infringe upon rights of others.
- All constituents interested in posting flyers on campus must make their own copies and post around campus. In some cases, Residence Life staff can post flyers in campus housing. Please see the addendum below for clarification.
- At no time will businesses or other organizations outside of the Young Harris College community post flyers without the consent of the Director of Campus Activities. Postings from any businesses or organization found in violation of this policy will immediately be removed and the group may lose future campus posting privileges.
**Posting Procedures: All Campus**

- Materials may be posted on campus bulletin boards and doors only (excluding special purpose bulletin boards specifically designated by campus departments or groups, and/or Susan B. Harris Memorial Chapel).
- Posting on designated bulletin boards is limited to 1 flyer per event per board and only one single layer of fliers allowed (no overlapping). Postings may go up no more than 2 weeks prior to the event and must be removed by the next business day following the completion of the event. Only one banner per organization or department may be displayed at one time on/in each campus building.
- **Only transparent scotch tape and blue painter’s tape are acceptable means of attaching flyers and banners.** Many adhesives are too aggressive and will damage the finish (i.e. paint) of the door. If found responsible, an organization or individuals using improper adhesives (i.e. clear packing tape, duct tape, etc.) will be held financially accountable for damages.
- Posting of materials on any campus bulletin board that is assigned to a College department or unit requires the approval of that department or unit, and must follow its applicable policies and practices relating to the posting of materials. Any materials not authorized by the applicable department or unit will be removed and discarded.
- Academic offices may post on their own department office doors at their own discretion.
- Space for banners is on a first-come, first-serve basis. Banners may only be moved by the sponsoring group or the Office of Campus Activities.

**Posting Procedures: Campus Housing**

In addition to the above posting procedures, the following must be followed when posting in any residential facility.

- All flyers/notices to be posted in Young Harris College campus housing must be approved by the Director of Residence Life a minimum of 5 business days before the expected posting date.
- Residence Life staff members are unable to guarantee that the flyers will stay posted as students ultimately make choices about the decoration of their doors and may choose to take down the flyers.
- Constituents interested in posting flyers must make their own copies and collate them in separate stacks for each building.
- Residential students may post on their own room doors in campus housing.
- One of the following three strategies must be used for posting flyers in the campus housing
  - **Strategy A**
    - This strategy requires a total of 391 flyers and the constituency requesting this type of posting is responsible for actually posting the flyers. Flyers may be posted in the following places:
      - Room doors in Appleby Center (67), Appleby West (22), The Towers (123), and Hillgrove (48)
• Suite/apartment doors in Enotah Hall (50), Rollins (11), Manget (8), and the Village (62)

○ Strategy B
  ▪ Another strategy is to post one flyer per RA (51 copies total). Residence Life staff will post these flyers. You must provide the flyers in the following manner to the Director of Residence Life at least 5 business days prior to the posting date. The Director of Residence Life reserves the right to refuse excessive requests.

○ Strategy C
  ▪ A final strategy is to post two flyers per building (16 copies total). Residence Life staff will post these flyers. You must provide the flyers in the following manner at least 5 business days before the event. The Director of Residence Life reserves the right to refuse excessive requests.

Posting Prohibitions
Posters, flyers, notices, or similar items may not be attached to unauthorized campus facilities, including, but not limited to, trees, columns on the Plaza, trash cans, Susan B. Harris Memorial Chapel, recycling bins, benches, campus maps, light poles, or exterior surfaces of buildings. Items posted improperly will be removed daily and destroyed. Persons and organizations that post items improperly may be subject to student conduct sanctions and/or charged for the cost of removal and any damage to College property. Young Harris College is not responsible for maintaining or returning items that are improperly posted and removed.

Posting Removal
Recognized student organizations and College departments are responsible for removing their posted notices. Directional signs must be staked and removed by the next business day after completion of the event.

Chalking Procedures
Chalking is not allowed on poles, columns, or campus buildings. Chalking should only be displayed where rain will naturally wash it off and all of the posting guidelines should be followed as well.

Recreational Equipment/Sports
• Bicycles and Longboards
  ○ Bicycles and longboards shall be allowed on campus as a means of transport only. Riders ride at their own risk and the College assumes no liability for injury. Bicycles or longboards shall not be used for stunts or tricks, nor shall they be used in any manner that would cause damage to campus buildings or landscapes.
  ○ Longboard measurement requirements: board must be 30 inches or longer with wheels 60 millimeters or larger.
  ○ The use of a bicycle or longboard in any campus building is prohibited.
  ○ Bicycle racks are provided throughout the campus for storage. A bicycle may be stored in a residential room or suite/apartment only if 1) all occupants approve,
2) it is cleaned before entering campus housing, and 3) room exits are not obstructed.

- It is against fire code to store a bicycle in a hallway or stairwell. Any bicycle, or other object chained to or left in a stairwell or other unauthorized location, may be removed and discarded without notice.
- Students must demonstrate care when riding bicycles or longboards on campus roads, sidewalks, etc.
- Any bicycle, longboard, or other non-motorized vehicle left unattended after the close of the spring semester shall be discarded.

- Skateboarding and roller skating of any kind is prohibited on the College campus.
- Playing or practicing golf is not allowed on campus due to the potential of injury to bystanders and the possibility of damaging college grounds and property. The only exception is the use of lightweight “whiffle” type golf balls.

**Residence Life**

Regardless of commuter or residential status, all students, visitors, and guests are responsible for knowing, observing, and complying with the information contained in the Residence Life section within the *Guide to Student Life*. Any general questions about Residence Life should be directed to the Assistant Dean of Students at 706-379-5300.

**Responsible Action**

The welfare of the College community is of the highest priority. Young Harris College encourages students to offer help and assistance to others in need by contacting the YHC Police Department or On-Call Resident Director. At times, a student, or group of students, might hesitate to provide assistance to another for fear of one, both, or all of them receiving a policy violation (i.e. an underage student has been drinking and fears the consequences of calling an ambulance for an incapacitated friend). While policy violations cannot be overlooked, the College pursues a policy of limited immunity that takes into account the situation as a whole and the act of helping someone in need.

**Retaliation**

Young Harris prohibits retaliation against any individual who files a complaint regarding harassment (including sexual), discrimination, hazing, or is involved in the complaint or grievance process for any reason. Such conduct not only violates College Policy, it is also contrary to federal law.

**Safety & Security**

The Young Harris College Police Department provides 24 hour/7 day per week coverage for the campus. All officers are certified by Georgia Police Officers Standards Training (POST) Council. They are in place to protect the members of the campus community and to enforce college and civil laws. Young Harris College Police officers have the authority to arrest individuals. The campus community is encouraged to report crimes and emergencies to the police immediately.
Sales and Solicitation

Any recognized student organization or student wanting to engage in a money-making project on campus must first request permission from the Director of Campus Activities. Additionally, any fundraising activities that take place in campus housing must also be approved by the Director of Residence Life. Organizations seeking funds or advertisements from persons or businesses off campus may do so only with the approval of the Director of Campus Activities in conjunction with the Office of Advancement.

Organizations may collect dues, fees, and donations. They may sell materials related to the purpose of the organization. Funds raised by recognized student organizations may be expended consistent with the stated purposes of those organizations. Such funds are subject to local, state, and federal laws, and to financial accountability. No fundraising activities shall conflict with the ongoing business operations or interests of Young Harris College. Recognized organizations must receive prior approval from the Director of Campus Activities before soliciting businesses for funds, gift cards, etc.

The solicitation of sales, services, memberships, or gifts on campus from outside vendors or persons is prohibited without the permission of the Vice President for Student Development.

Sexual Misconduct

The College prohibits harassment based on race, color, religion, sex, age, national origin or ancestry, physical or mental disability, veteran status, genetic information and any other basis protected by federal, state, or local laws. Unwelcome sexual advances, requests for sexual favors, or other unwanted visual, verbal, or physical conduct of a sexual nature or based on gender may constitute sexual harassment or sexual assault. It is unlawful for males to sexually harass females or other males, and for females to sexually harass males or other females under Title VII of the 1964 Civil Rights Act, which applies to employees, and Title IX of the 1972 Educational Amendment, which applies to students.

Campus-wide programs are conducted by the Student Development staff each year that promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses. Information about existing on- and off-campus counseling, mental health, and other services available to victims of sex offenses are available to all students in the Office of Counseling and Psychological Services (CAPS).

If a student feels that s/he has been the victim of sexual assault s/he should call 911 immediately and then contact a Title IX Coordinator or any other College official as soon as possible.

Sexual Harassment

Sexual harassment is defined as unwelcomed sexual advances, requests for sexual favors and other physical, visual, or verbal conduct of a sexual nature where 1) submission to such conduct is made either explicitly or implicitly a condition of an individual’s employment or education, 2) submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting the individual, or 3) such conduct has the purpose or effect of substantially interfering with
an individual’s academic or professional performance or of creating an intimidating, hostile, or demeaning employment, living, or educational environment.

If a student believes that he or she has been harassed, or is aware of the harassment of others, he or she should report, without fear of reprisal, the alleged behavior to his or her supervisor (if the behavior is related to a campus student job and the supervisor is not the individual accused of harassment or condoning harassment), or one of the Title IX Coordinators as soon as possible (see Harassment Policy).

**Sexual Assault**

Sexual assault is any form of unwanted sexual contact engaged in without consent and/or obtained through the use of force, threat of force, intimidation, drugs or substances that impact a person’s ability to resist, or coercion. This includes, but is not limited to, intentional touching, either of the victim or when the victim is forced to touch, directly or through clothing, another person’s genitals, breasts, thighs, or buttocks; penetration that involves sexual, anal, or oral intercourse without consent; or sexual penetration with an object.

If a student feels that s/he has been the victim of sexual assault s/he should call 911 immediately and then contact a Title IX Coordinator or any other College official as soon as possible. Those who respond will assist the victim in notifying appropriate victim support services. It is important to preserve any and all evidence. College counseling services will be extended to the victim and off-campus counseling information will be provided. The Title IX Coordinators or the College Counselor will work with the victim to review options for making necessary changes in their academic or living situation if they are reasonably available.

Should a disciplinary hearing be conducted, victims of sexual assault will be entitled to the same rights as the accused student. The victim and accused will be informed in writing of the outcome of any disciplinary procedure resulting from an alleged sex offense where possible within 30 days. Students found in violation of a sex offense will be subject to sanctions as described in the Student Conduct System section of the Guide to Student Life, as well as to civil and/or criminal prosecution.

**Consent**

Consent can be communicated between parties through words or actions, but must be given with the intention of creating a mutual understanding regarding the act of sexual activity. Consent is invalid when it involves physical force, threats, or intimidation; minors under the age of consent; persons whose mental disabilities prohibit sound judgment; persons physically or mentally incapacitated, either voluntary or involuntary, as a result of alcohol or other drug consumption; and individuals who are unconscious, unaware, or otherwise physically incapacitated. Silence cannot be interpreted as a means of consent. Lack of consent may also be communicated through the use of non-verbal expressions or actions indicating resistance. Consent may be withdrawn at any time.
Sex Offender Registration
Information on registered sex offenders may be obtained from the YHC Police Department or by contacting the Georgia Bureau of Investigation at 404-270-8465 or www.gbi.georgia.gov and clicking on “Services” then “Georgia Registered Sex Offenders” (http://gbi.georgia.gov/00/channel_modifieddate/0,2096,67862954_87983024,00.html). Sex offenders are required under state law to provide notice to College officials if they are employed or are enrolled as a student at Young Harris College.

Educational Programs
The offices of Health & Wellness Services and Counseling and Psychological Services work, often in conjunction with the Office of Residence Life, to coordinate programs to educate the campus community about healthy relationships, rape, acquaintance rape, and other forcible and non-forcible offenses. In addition to these programs, the Office of Counseling and Psychological Services sponsors a weekly women’s support group.

The Division of Student Development formed a peer advocacy group called Campus Leaders Advocating Wellness (CLAW). This group, trained by the directors of Health and Wellness Services and Counseling and Psychological Services, presents programs to students and student groups about healthy relationships and sexual violence.

For more information about upcoming events and services contact either the Office of Health and Wellness Services or Office of Counseling and Psychological Services.

Possible Sanctions for Campus Sexual Misconduct Policy Violations
Students found responsible for violating the College Sexual Misconduct Policy will be held accountable which includes sanctions up to and including suspension or expulsion from the College. The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Student Conduct System
All students are responsible for knowing, observing, and complying with the information contained in the Student Conduct System section.

Student ID (YHC One Card)
The Young Harris College One Card is the sole property of Young Harris College and is used to access certain campus buildings including residential public areas, student rooms, the dining hall, and the campus recreation center. In addition, the Student ID acts as a meal card at campus food venues.

- Students are required to carry, and upon the request of College personnel, including Residence Life and library staff members, to exhibit their YHC One Card.
• Falsifying information on the YHC One Card is prohibited.
• Use of a YHC One Card by anyone other than its original holder is prohibited.
• Lending, selling, or otherwise transferring a YHC One Card is prohibited.
• A student unable to locate his/her YHC One Card must, within 24 hours, notify the Student Development Office during normal business hours or the On-Call Resident Director after hours or on weekends for a reissuance. A $30 replacement fee will be charged.
• Students receive their YHC One Card when they enter the College as a new student and must keep the same card throughout the time of enrollment. If a card is lost or damaged a $30 replacement fee will be charged.

**Student Organizations**
All students are responsible for knowing, observing, and complying with the Student Organization Policy manual provided by the Office of Campus Activities. Anyone interested in forming a Student Organization should contact the Director of Campus Activities at 706-379-5110.

**Selected Policies for Student Organizations:**

**Film / Movie Guidelines**
Young Harris College acknowledges and complies with the Federal Copyright Act (Title 17, United States code, Public Law 94-553, 90 Stat. 2541) that oversees how copyrighted materials (i.e. movies or film) may be used publicly. The federal copyright law restricts the use of movies to private showings (private room/home) and prohibits public performance. Therefore, any student or recognized student organization wishing to show a movie in common meeting spaces (student center, lawn, classrooms, etc.) must abide by federal copyright law and uphold College Policies. Under no circumstances should a student and/or student organization show a movie on campus without prior approval from the Office of Campus Activities and purchasing/securing the rights to the movie. Organizations should plan accordingly as the cost to these rights may vary. Stop by the Office of Campus Activities, in the Pruitt-Barrett Building with any questions.

**Event Sponsorship**
In order to sponsor an event, student and student organizations must submit a Request for Program form to the Office of Campus Activities a minimum of five (5) business days prior to the requested event date. Individuals or organizations unaffiliated with the College wishing to sponsor an event on campus, must be sponsored by a student organization and the student organization must submit the required information. The Director of Campus Activities will notify the YHC Police Department of any events on campus. Local authorities in conjunction with YHC Police monitor off campus student sponsored events. The Campus Activities Office reserved the right to deny an event from taking place on campus that violates College Policies.
Student Organizations are expected to leave all reserved spaces as they found them. This includes replacing tables and chairs in their original position, picking up trash and recyclable materials. Any food items needing disposal should be taken to a dumpster. Any group that has left a reserved space in poor condition will be charged an excessive cleaning fee and/or damage fees (if applicable).

When using an academic space (i.e. classroom, lecture hall, student room) for social meetings or events, organizations are expected to conduct activities quietly. Sound systems other than the provided computer speakers are prohibited. Complaints regarding noise may result in future loss of privilege to use academic spaces.

**Booking an Event Location**

The College extends to recognized student organizations the right to use its name and facilities. Requested venues will be reserved through the Request for Program Form located in the Student Development Office in the Pruitt-Barrett Administration Building. The College reserves the right to deny the use of facilities to any organization that is not officially recognized by the College or a recognized student organization that does not follow College Policy.

**Final Exam Week “Dead Week” Policy**

In an effort to support the academic mission of the College and ensure students are not overly burdened during finals week, certain restrictions are placed on the activities of recognized student organizations. Beginning Reading Day through the end of the semester, student groups and organizations shall not organize/schedule social events such as dances, elections, concerts, or other activities which may conflict with academic studies.

Institutional events that are not sponsored or organized by student groups and organizations may be exempt from this policy. Study breaks, tutoring sessions, regular organization meetings and/or end-of-term, and members-only social gatherings are permitted. However, organization presidents and advisors should ensure meetings or academic-related activities do not conflict with the study time of members. In rare cases, exceptions to this policy may be made as determined by the Director of Campus Activities.

**Conduct Policies Regarding Recognized Student Organizations**

The goals and purposes of recognized student organizations must be consistent with and in support of the goals and mission of Young Harris College. Student organizations will be held responsible for the behavior of their members when their actions evolve from, or are in any way related to, their association with activities of the group. The only means by which liability on the part of the organization can be avoided is if the violators are identified and it can be shown that members of the organization took responsible steps to prevent the violation by their fellow members.
Any student or organization wishing to report a violation related to a recognized student organization may do so by contacting the Director of Campus Activities or Associate Dean of Students. At the discretion of the Vice President for Student Development, reported policy violations by student organizations may be handled administratively by the Director of Campus Activities or referred to the Student Conduct System.

**Shared Responsibility**

Every organization has the duty to take all reasonable steps necessary to prevent infractions of College Policy as well as federal, state, and local laws related to the activities of the organization. This duty is not only applicable to members of the organization who are engaging in the activity, but is applicable to every member, including those not engaged in the activity.

Recognized student organizations should understand that when dealing with allegations of student organization violations, the College defines a "College related activity" as any activity sponsored by the College or by an organization recognized by the College. The degree to which an organization is responsible for the activity of its members is not necessarily dependent upon the number of members engaging in the activity, but depends upon whether the activity is related to the organization. All members need to be aware of their behaviors while participating in College related activities.

**Sanctions**

Each recognized student organization must conduct its affairs in a lawful manner according to state and federal law, its constitution, and College Policies. It is expected that every organization will exercise self-governance, which carries with it the responsibility of each member to hold other members accountable for their actions. When such actions are in conflict with the policies, philosophy, or interests of the College, an organization may be held responsible for the actions of its membership, or for any part thereof, and may be subject to disciplinary action, including, but not limited to, the following:

- Administrative Warning
- Restitution
- Conduct Probation
- Loss of Privilege
- Loss of YHC Recognition/Charter
- Completion of mandated or approved education and training programs

In addition, if any Greek organization is suspended through the YHC Student Conduct System, the period of suspension may include but is not limited to the following:

- No participation as an organization, formally or informally, in any campus activities, including Recruitment Week, Greek Week, intramurals, Fall and Spring Fest, etc.
- No wearing of sorority or fraternity jerseys or t-shirts (including rush t-shirts) on campus.
- No display of sorority or fraternity letters anywhere on campus, including but not limited to residence hall windows, student center, and recreation center.
- No formal recruitment activities of any kind.
For a complete list of sanctions please refer to the Student Conduct System section of this publication.

In the case of an organization failing to follow the appropriate administrative guidelines outlined by the Director of Campus Activities, loss or suspension of recognition may be appealed to the Vice President for Student Development for reconsideration. In the case of loss or suspension of recognition as a result of a student conduct violation, please refer to the Student Conduct System section of the Guide for information on the appeal process. Additional information regarding Student Organizations may be found in the Student Organization Handbook.

**Student Records**

The Family Educational Rights and Privacy Act (FERPA) allows students access to their educational records and limits the ability of others to access those records, except as authorized by law. Academic records are compiled and maintained in the Office of the Registrar while student conduct records are under the jurisdiction of the Vice President for Student Development. The College Policy on the release of student information (FERPA regulations) is on file in the Office of the Registrar. The full Young Harris College FERPA Policy is available in the College catalog and online at [www.yhc.edu](http://www.yhc.edu) under Registrar.

**Theft and Disregard for Property**

No student shall take, or attempt to take, and/or damage College property, items belonging to students, faculty, staff, guests of the College, or student groups without proper authorization.

- No student shall remove College furniture from common areas, residence halls, rooms, or suites/apartments.
- Any activity which destroys or defaces property or grounds, at the College or elsewhere, is prohibited.
- Removal of books or other resources from the Duckworth Library without the use of proper checkout procedures is prohibited.
- The College is not responsible for any personal property including damage caused by employees in the performance of their work. It is suggested that students obtain rental or property insurance. Information regarding such insurance is available on the Residence Life website ([www.yhc.edu/student-life/residence-life](http://www.yhc.edu/student-life/residence-life)).

**Tobacco**

Out of respect for individuals on campus that choose not to smoke, dip, or chew as well as the serious effects of second hand smoke, tobacco use is not permitted inside any campus building. Use of tobacco is prohibited at all times on breezeways, balconies or in entryways, regardless of weather. Students who choose to use tobacco products must be 25 feet from any campus building.

The College expects all students to comply with Federal and Georgia laws regarding tobacco.
**Tuition, Fees, and Financial Aid**

**Tuition**
Students are charged the same rate for 12 to 18 semester hours. An additional fee will be charged for hours taken in excess of 18 hours per semester. Students who enroll for fewer than 12 semester hours will be charged at the less-than-full-time rate on a per-credit-hour basis. All accounts must be paid in full before a student will be allowed to register or reserve housing for the next semester. More detailed information about current tuition and fees is available from the Business Office.

**Housing and Meal Charges**
Housing and meal charges for the next academic year are announced each spring. A list of all charges is available on the College website. Private rooms are available upon request as space permits, on a first come, first served basis. Contact the Residence Life Office for more information at 706-379-5300.

**Institutional Refund Policy**
If a student withdraws from the College, refunds for tuition charges for each semester will be made according to the following schedule:

- Within the 1st week of class: 75% Adjustment
- Within the 2nd week of class: 25% Adjustment
- Within the 3rd week of class: 10% Adjustment
- After the 3rd week of class: No Adjustment

Charges are prorated on a weekly basis from the first scheduled class period until actual withdrawal. Withdrawals made any time during the week are prorated to the Monday following the week of withdrawal. Any portion of a week is charged as a full week. There are no refunds for temporary absences, for labs, special fees, or courses dropped after the drop/add period, or for charges to any student suspended or expelled for disciplinary reasons. Refund of institutional aid is calculated on the same basis as tuition (stated above). In no case will institutional aid generate a refund greater than the amount of funds already received from the student. No refund for any deposit is given to a student dismissed for disciplinary reasons.

Withdrawal can affect student financial aid and create a balance due. Any student who receives federal financial aid, including grants and loans, will have a return to Title IV funds calculated to determine what portion of their aid can be kept within their package. Failure to pay any balances due for any semester will result in an administrative STOP being placed on the student account. Students with an administrative STOP on their account will be restricted from registering for classes in future semesters. Transcripts and diplomas will not be released until the account is paid in full. Uncollectible balances are subject to be turned over to a commercial collection agency and may be reported to a national credit bureau. All costs, expenses, and fees incurred by the College in collecting or attempting to collect a past due account are the responsibility of the student.

To resolve any past due accounts, please call the Business Office at 706-379-5223.
**Housing and Meals Refund Policy**

Refunds for meal charges are prorated to the Monday following the withdrawal date. In no case will institutional aid generate a refund greater than the amount of funds already received. No refund is given for housing. No refund for meal charges will be given to any student dismissed for disciplinary reasons.

Additional information and policies regarding tuition, fees, and payment plans, as well as student financial aid, can be found in the College catalog, by contacting the Business (706-379-5223) or Financial Aid Office (706-379-5162), or online at [www.yhc.edu](http://www.yhc.edu).

**Vehicle, Traffic, and Parking**

The following policies have been developed in an effort to maintain traffic conditions conducive to safety on the campus and to ensure maximum availability to all campus residents of the campus parking facilities. Violations of these policies may result in fines or other action. For questions relating to traffic policies, students should contact the Student Development Office or the Young Harris Police Department.

**Vehicle Registration**

Young Harris College grants permission for students to have and operate a duly registered automobile, motorcycle, or other vehicle on campus. All motorized vehicles must be registered with the YHC Police Department within 48 hours after the vehicle is brought to campus. To register the vehicle, the student must provide the current tag number of their vehicle. The cost of registration is $65 per semester. Vehicle permits must be clearly displayed at all times on the bottom right corner of the back window. Vehicle registration is billed to student accounts each semester.

**Discounted Parking for low-emitting and fuel-efficient vehicles**

As a comprehensive liberal arts institution that values the natural environment and resources of its location in the southern Appalachian region, Young Harris College recognizes the importance of serving as a community leader in meeting the 21st century challenges of energy efficiency, resource conservation, and waste reduction. The sustainable development of the Young Harris campus through green building, careful site selection, and responsible resource use has the potential to serve as a model for the design, construction, and operation of all buildings.

Young Harris College offers a 20% discount on vehicle registration and parking decal exclusively for students, faculty, and staff who own low-emitting and/or fuel-efficient vehicles. In order to qualify for this discount, low-emitting and fuel-efficient vehicles must be classified as a Zero Emissions Vehicle (ZEV) by the California Air Resources Board or have achieved a minimum green score of 40 on the American Council for an Energy Efficient Economy (ACEEE) annual vehicle rating guide. The number of discounted permits available to students each semester shall not be limited.
On-Campus Use of Vehicles
Students should maintain a speed limit conducive to safe conditions for themselves and for pedestrians and other vehicles on campus. **The speed limit on campus is 15 mph.** Students are reminded that all state and local regulations must be obeyed on roads throughout the campus. Student vehicles are to be used only on campus and city streets and parking areas. Vehicle use on sidewalks and non-paved areas is prohibited.

Parking Areas
Parking areas are reserved for student vehicle parking. Students are to park in designated parking areas indicated by the designation of the parking decal only. Students are reminded that the lawns on campus are not to be used as parking areas. At no time may vehicles be taken inside campus buildings or parked on porches, entrance ways, sidewalks, or lawns. Students are not permitted to park in reserved spaces. **A YELLOW CURB INDICATES A NO PARKING ZONE. A BLUE CURB INDICATES A HANDICAPPED PARKING ZONE.** The current parking map can be found at [http://www.yhc.edu/about/maps-directions-parking](http://www.yhc.edu/about/maps-directions-parking).

Designated parking areas for students (commuters and residential), faculty, and staff are determined each year and communicated during campus housing and commuter meetings.

Traffic Tickets and Fines
Fines associated with traffic tickets will be added to student accounts. An excessive number of tickets per semester MAY RESULT IN REVOCATION OF VEHICLE PRIVILEGES. All charges will be $25.00. Questions regarding traffic tickets and fines should be directed to the Young Harris College Police Department or the Student Development Office.

Ticket Appeal Process
Any student may choose to appeal a College ticket by submitting a YHC Student Conduct Appeal form to the Student Development Office within 5 business days of the ticket being issued. Hearings are closed meetings of the board. Generally, information considered during the appeal is limited to that which is submitted in writing to the board.

The board may uphold, overturn, or modify the original decision or fine. Notice of the decision will be given via the student’s YHC email address within 3 business days of the hearing. Any decision rendered by the Traffic Appeals Board shall be considered final and binding upon all involved. For more detailed information about the traffic appeals process refer to the Student Conduct System section.

**Weapons**
Possession of firearms, explosives, other weapons, or dangerous chemicals or the use of any
such item is prohibited by both College policy and Georgia law. It is likewise prohibited to use any item in a manner that harms, threatens, or causes fear to others.

- Students found to be in possession of any handgun or weapon anywhere on campus, at any off-campus College sponsored event, or at any off-campus recognized student organization sponsored event, shall be subject to immediate expulsion from school. Police will be notified accordingly of any violation of this policy.

- Weapons include all firearms, bow and arrows, ammunition, knives (excluding pocket knives with blades under 4 inches), swords, tasers, explosives of any description, and any other item designed to inflict bodily harm.

- Any item that can be construed as a weapon, cause fear or intimidation, or designed to shoot projectiles (i.e. bb, Airsoft, paint, or potato guns) is prohibited, unless specifically authorized by the Division of Student Development in conjunction with participation in a student organization. The item must be maintained in a specified, secure location. When transporting items to or from an event, the item must be transported in a gear bag or carrying case. Brandishing such items is prohibited.

- Using water guns, water balloons, or any device which projects water, is prohibited in all campus buildings, including campus housing, as many surfaces become slippery when wet.

- It is acceptable to possess pepper spray or mace if such items are used ONLY as a defense mechanism against a serious attack.
RESIDENCE LIFE

Mission & Objectives
The Office of Residence Life is committed to providing and maintaining a clean and safe living environment conducive to intellectual and personal growth, where students can study and share ideas with peers, faculty, and staff whose culture, lifestyle, and opinions may be very different from their own. An environment of diversity is supported and celebrated.

The Residence Life Office is committed to the following:

1. Maintaining an environment conducive to learning;
2. Maintaining an environment conducive to safety;
3. Maintaining an environment conducive to personal growth;
4. Maintaining an environment conducive to social and community development.

Housing Application
To be considered for accommodations in campus housing, a housing application must be submitted along with the room deposit. This deposit is not applicable to payment of room and/or board, but is a contingency deposit against possible damage to College property or failure to follow check-out procedures. Deposits are collected at initial application and retained by the College throughout the student’s entire experience at Young Harris College. New incoming students are assigned campus housing based on date of deposit. The deposit, less any outstanding charges on the student’s account, shall be returned upon graduation or separation from the institution. No refund for any deposit is given to a student dismissed for disciplinary reasons.

This agreement is for residents in College housing and not for a particular room or roommate. The College will honor specific requests whenever possible.

Compulsory Living and Meal Plan Policy
All students who do not meet one of the following criteria are required to live in campus housing:

• 23 years of age or older
• 5th year senior
• Married or divorced
• A permanent resident of Towns or the surrounding counties and living with a parent or guardian (not in a vacation/2nd home) or with a close relative as defined by the Assistant Dean of Students.
• Other requests for a housing exemption may, on rare occasion, be granted. An appointment should be made with the Assistant Dean of Students to determine individual eligibility.

All students living in campus housing are required to purchase an approved meal plan.
If a student drops below ten semester hours (six for a summer term) he or she must have written permission from the Vice President for Student Development to remain living in campus housing facilities. Students over the age of 25 must receive permission from the Vice President for Student Development to live on campus.

**Residence Life Staff**

**Resident Directors**

Residential facilities are supervised by full-time, live-in professional Resident Directors (RDs). The RD serves as a resource to the resident students in his or her building(s). Every RD keeps regular office hours in his/her residential facility and can provide such services as personal and academic advice and referrals, crisis intervention, and conflict mediation. He or she also ensures that students maintain appropriate behavior as members of the residential community. The RD is responsible for all administrative functions of the residence hall and directly supervises the Resident Assistants.

**Resident Assistants**

Resident Assistants (RAs) are a primary resource for students living in campus housing. These student leaders facilitate the development of community on their floor(s), suite(s), and building(s). He or she can assist you with personal or academic concerns and refer you to appropriate resources on campus. RAs are also excellent sources of information and advice about classes and ways to get involved in campus life.

Another of the RA’s many responsibilities is to enforce College and Residence Life Policies. In doing so, they assist in the maintenance of a clean and safe environment where all students can sleep, study, socialize, and live comfortably.

**Residence Life Policies, Procedures, and Amenities**

**Animals**

For reasons of health, maintenance, pest control, and general convenience, with the exception of fish in an aquarium of 10 gallons or less, animals are not allowed in campus housing for any length of time. Any student found to have an animal, and/or pet related item (i.e. pet cage, pet food, water bowl, kitty litter, or leash), is subject to disciplinary action. Additionally, any student assigned to the same room/suite where an animal is found shall be held responsible as well. If an animal is found, it will immediately be taken to the Blairsville Mountain Animal Shelter. Students requiring a service or assistance animal must make appropriate arrangements through Disability Services and the Vice President for Student Development or designee.

**Break Closings**

All residential facilities are closed when school is not in session for longer than three consecutive business days. Before leaving, residents must turn off all lights, unplug all appliances (including refrigerators), and lock all doors and windows. Times for opening and closing are available in the calendar section of the *Guide to Student Life* and on the Residence Life section of the YHC website. Any modifications shall be posted in all residential facilities.
**Cable**
Young Harris College residential facilities are equipped with cable television connections. Basic cable service is available in the common room of each suite and main common room of each residential facility. Bedrooms in Enotah Hall do not have cable connections.

**Check-In, Check-Out**
Upon moving into their assigned room, students are required to complete and sign a Room Condition Report. Any room damages or defective equipment are noted on the form. The RD or RA is available during this room inspection so he or she can assist with this process.

All students must check-out of their room with an RA or RD. A Room Condition Report must again be completed and signed at this time. When changing rooms a student must be checked out of the old room and checked into the new room by an RD or RA in each campus housing facility involved. Improper check-out will result in a $50.00 fine.

Upon checking out of a room, students must leave the room in the same condition it was in upon check-in. The room should be clean with no posters on the walls, trash left in the room, or personal belongings left behind. There is a minimum charge of $35.00 for rooms left unclean; which may be applied in addition to an improper check-out fine.

For various reasons, students may at times be assigned to a room without a roommate. If adequate space is available on campus, students may select to pay an additional fee for a private room. If a student does not pay the additional fee, then the room shall be left in a condition to which another assigned student may move in at any time. Typically, ample notice is given to the occupant of the room if another student will be moving in.

**Community and Shared Responsibility**
In addition to College Policy pertaining to community and shared responsibility, residential students are responsible for assisting in the maintenance of a healthy, safe, and comfortable living community. Students are responsible for their assigned room, its contents, and any act that takes place in it. It is important for all residents to understand that they are responsible for what goes on in their room and suite/apartment. Students are also expected to conduct themselves with proper regard for the rights, property, and privileges of other residents within the framework of good community living. In situations where personal responsibility cannot be determined, all occupants of a room, suite, or hall may be charged accordingly. Shared responsibility applies to both disciplinary action and monetary fines.

**Damage**
Rooms and furnishings should be kept in good condition at all times. Students are responsible and will be charged accordingly for any damage they cause. Nails, screws, and other such fixtures may not be used because of the excessive damage to walls and/or woodwork. Some examples for which occupants are held responsible include stains, burns, tears, breakage, or undue wear on furniture and walls. Students may also be charged a fine for leaving personal belongings or trash in the room upon check-out.
Fire Safety

Fire safety and prevention is of paramount importance in a residential living environment. The responsibility for this safety rests with each resident living in the hall. Each residential facility is equipped with fire alarm pull stations on every floor and at every access point. In addition to the institution’s Fire Safety Policy, the following pertain to all residential students.

- Open flame Items such as oil lamps and incense are prohibited. Unlit/Unused candles are permitted for decoration as long the wick has been removed
- Appliances:
  - One refrigerator (6.0 cubic feet or less) is permitted in each room – refrigerators are provided in Enotah Hall and The Village.
  - One microwave oven (under 1 cubic foot or less) is permitted in each room
  - Open coil or open flame items such as ranges are prohibited.
  - George Foreman type grills, toasters, and toaster ovens are only permitted in the Village.
  - Be extremely careful with allowed electrical appliances such as irons, coffeepots, hot pots, and electric blankets – while on, these must not be left unattended
  - It is prohibited to house refrigerators, microwaves, or other appliances in use in closets, drawers, or other enclosed spaces
- Halogen lamps, lava lamps, and lamps with plastic shades are prohibited
- Electrical Safety
  - Do not overload electrical outlets.
  - Electrical products should be marked by the manufacturer as “UL Listed”.
  - Always use a power surge protector for multiple outlets to protect your property.
  - Each power strip and extension cord must be plugged into a wall outlet. Plugging extension cords into other extension cords, plugging extension cords into power strips, plugging power strips into extension cords, or plugging power strips into other power strips is prohibited. In addition, power strips and/or extension cords may not be plugged into outlet expanders.
  - Do not place posters or wall hangings over electrical outlets or lights.
- Live trees are prohibited in campus housing.
- Grills (charcoal only) are allowed in the Village. Residents will need to properly dispose of used charcoal and store grills properly. Grills should never be used or stored on wooden porches/decks. Failure to use or store grills properly may result in loss of grilling privileges.
- Other Fire Safety Concerns:
  - Hookahs or other smoking devices are prohibited in campus housing.
  - Removal of window screens is prohibited.
  - Jamming of personal bedroom doors or propping of exterior doors is prohibited.

Fire Alarm Evacuation Procedure:
At the beginning of the fall semester, the fire drill procedure is explained, exits are posted, and a fire drill is held for the instruction of all residents. A minimum of one unannounced fire drill
will be held each semester. The following procedures should be implemented during a fire drill:

1. Close all windows in your room
2. Put on a coat, if necessary, and hard sole shoes
3. Take your keys, close and lock your room door behind you
4. Walk quietly and quickly to your exit
5. Wait for the “all clear” signal from your RA or RD before re-entering the building

**Failure to evacuate the building or re-entering a building prior to receiving permission to do so during a fire drill is prohibited.**

**Furniture**

All student possessions, as well as any and all College-owned furniture and equipment assigned to a room or suite/apartment must be stored in that room or suite/apartment. No additional storage space is provided. Furniture shall not be arranged in a manner in which it impedes access or egress from a room or disrupts fire safety equipment (i.e. sprinklers) from working properly.

Furnishings from any room or suite shall not be removed, exchanged (including mattresses) between rooms, or dismantled. College bedroom furniture may not be stored in common rooms. Additionally, indoor furniture should never be placed in an outdoor location.

**Housekeeping and Maintenance**

While Young Harris College employs housekeepers in each building to maintain the cleanliness of shared spaces, it is the responsibility of each resident to assist in creating a healthy living environment. Residents are expected to clean up after themselves and not to leave personal items or garbage in the hallways, common lobbies, or laundry rooms of any building.

When items in a room or in common area are in need of repair, a RA or RD should be contacted to submit a maintenance work request. It is especially important to immediately report the following:

- Defective or non-operating smoke detectors
- Electrical problems
- Leaks from window, walls, or ceilings
- Damage to furnishings or windows
- Pest control problems
- Clogged sinks, showers, or toilets
- Malfunction of heating and cooling systems
- Defective/inoperable door locks

Most repairs are completed within a day or two. A student’s RA or RD should be contacted with questions regarding the status of a work request.

**Insurance**

Students are encouraged to carry appropriate insurance to cover any loss or damage of personal property. Oftentimes, dependants are covered under a parent or guardian’s home owner’s insurance policy. Students should check with their insurance carrier for details. The
College makes every effort to safeguard the personal property of each student. However, the College cannot assume any obligation to pay for the loss of or damage to items of personal property which occurs in its buildings or on its grounds.

**Keys and YHC One Card**

The primary responsibility for personal safety remains with the student. However, because no amount of watchfulness on our part can replace the habit of consistently locking one’s door, each resident is issued, and is responsible for a key and YHC One Card which provides access to his/her room. Whenever a student checks out of his/her room, withdraws from the College, or graduates, it is required that all keys be returned to a member of the Residence Life staff. **Duplication of any Young Harris College key is strictly prohibited.**

If a resident is locked out of his/her room, an RD or RA in that building can let the student into the room upon presentation of appropriate identification. Students shall not be allowed access to any resident room, for any reason, to which they are not assigned. A fine shall be assessed for excessive lock-outs and for replacing a lost key or YHC One Card.

In order to promote community, some students choose to prop their doors open when they are present in their room and willing to accept drop-in visitors. Students should not prop their doors when they are not present in their room. Students may not tamper with or disable a lock, door mechanism, or card access technology in order to prevent their door from locking. This includes using tape to prevent a door from locking. Students should never prop open exterior doors to any campus building.

**Laundry**

Each residence hall is equipped with a laundry room, accessible using the YHC One Card, for residents of that building. The use of washers and dryers is included in residential fees. Students must provide their own detergent. All washers on campus use “high efficiency” detergent. Each unit in The Village Apartments has its own washer and dryer.

**Lofts**

In the interest of safety, homemade lofts are not allowed in campus housing facilities. Loftable furniture are available in some residential facilities, but must be constructed only as intended. Residence Life staff members are available to help with lofting instructions and policies. The safety of individual lofted beds is determined solely at the discretion of the College, and students shall be required to unloft any bed(s) found to be unsafe or incorrectly constructed.

**Meeting Attendance**

Campus housing meetings are an important part of living in a residential community. Students will be given a 24-hour minimum notice of an upcoming campus housing meeting, with the exception of the first meeting held following resident check-in. If a student has a reasonable excuse for missing a meeting, the Resident Director of that building must be notified in advance of the meeting to arrange an alternate time to meet. Regardless of a student’s reason for missing a meeting, he or she is accountable for the information discussed/distributed at the meeting, without exception. Failure to attend a mandatory hall meeting without being excused ahead of time will result in disciplinary action and/or monetary fine.
Noise/Quiet Hours

In order to create an environment which allows students to gain the most from their time at Young Harris College, policies have been established which allow for both study and socialization. The right to sleep and study takes priority over all other activities and privileges. Each building has standard quiet hours of 11:00 p.m. – 10:00 a.m. Quiet hours are when noise should be kept to a minimum to facilitate sleep and study. Beyond such minimum hours, it is entirely up to the discretion of the residents of each hall to modify these hours. Quiet hours are in effect 24 hours a day starting on Reading Day until the end of final exams each semester.

Although specific quiet hours exist, courtesy is expected at all times. When noise interferes with the ability to sleep, study, or otherwise enjoy the living environment, it is each student’s responsibility to resolve the issue by first speaking with the person(s) responsible for the noise. If an agreed upon resolution is not established, an RA or RD may be contacted to further address the problem.

Personalization

Room personalization remains an important component in the student development program at Young Harris College. The Residence Life Office is committed to the goal of allowing residents the freedom of expression inherent in adapting their rooms to their personal needs. Students are strongly advised to consult their roommate before purchasing any large items such as a TV, refrigerator, or microwave to avoid duplication.

Students may:
• Hang drapes using tension rods
• Decorate in any other way that does not permanently alter the room (i.e. posters, plants, throw rugs)
• Use poster putty to hang items on walls

Students may NOT:
• Dismantle any College furniture
• Prevent egress from a room (i.e. affix cardboard to a window with duct tape)
• Affix anything permanently to the walls, ceiling, or doors; which includes lofts, bunk beds, bookcases, wall paper, and glued cork boards, among other items
• Paint anything that belongs to the College
• Cover or line inside or outside of light fixtures with fabric or paper
• Use puffy double-sided, duct, or packing tape to affix items to College walls or furniture
• Use stolen items such as restaurant or street signs, or items that that seem likely to have been stolen such as bathroom signs, road cones, or large cardboard cutouts without proper proof of purchase, to decorate
• Have or use a dart board (including soft or safety darts)

Room Changes

For safety and security reasons, as well as the comfort of all residents, it is vital that the College be able to determine where each resident lives at any given time. The only room a student is allowed to occupy is the one assigned by the Residence Life Office. Residents who wish to
change rooms for any reason must complete a Room Change Request Form with their Resident Director or the Director of Residence Life. The room change request period for each semester begins the second week of the semester and runs through the Friday prior to Thanksgiving in the Fall and through the Monday two weeks prior to the start of finals in the Spring. Upon approval, check-in and check-out procedures must be completed. Taking up residence, as defined by the College, for any length of time or for any reason, in a room or common area other than the one assigned is prohibited.

Room Entry
The residential facilities are owned and controlled by the College. In addition to entering a student’s room in accordance with the Administrative Search Policy, authorized College personnel may enter a student’s room for the purpose of inspecting health and safety conditions, providing maintenance and/or housekeeping services, ascertaining general room condition, or ensuring compliance with College Policy. Except in emergency situations, YHC staff members do not enter a room before 10:00 a.m. in order to respect student privacy.

Roommates
Students are able to select or request a specific roommate. If a specific roommate request is not received, the Office of Residence Life compares interests, anticipated major, and all other information given on the housing application in an attempt to place people together with similar interests in the building each person requests. In addition, each student is also given an opportunity during START to request a roommate. Every reasonable effort is made to honor available requests and preferences.

Of course, this process may not always work to everyone’s satisfaction. For this reason, room and roommate changes are allowed two weeks after check-in. The waiting period is to allow time for people to try to adjust to each other’s personalities and behaviors. If for some reason the two students simply cannot get along, one or both will allowed to move after the 2-week waiting period.

It is important to note that some people stay with the same roommate throughout their entire college career, and some change each year. Neither of these patterns is better than the other because different people require different experiences. Roommate communication is essential to a positive relationship. Resident Assistants provide a roommate contract which will facilitate a conversation regarding behavior in each living space. Students are encouraged to not only create a friendship with their roommate, but with other Young Harris College students in order to enrich their college experience.

Theft
Students should always lock the door when leaving their room/suite, keep their YHC One Card and room key with them at all times, and promptly report any doors or windows that do not lock properly to an RD/RA.

Tips to prevent theft:
• Always lock your bicycle
• Never leave unattended valuables in plain sight
• Do not leave jewelry or other valuables in the bathroom
• Do not leave clothing in the laundry room
• Be careful where you leave your books in public areas, especially during final exam week when books are being sold back to the bookstore.

Personal belongings found in residential common rooms or laundry rooms should be turned in to the RD/RA or taken to the YHC Police Department. Immediately report all thefts to the Young Harris College Police Department, and then contact the RD of the building. It is suggested that students obtain property insurance. Information regarding such insurance is available on the Residence Life website (www.yhc.edu/student-life/residence-life).

**Telephones**

Because the vast majority of students come to Young Harris College with cell phones, the College does not provide telephones in each residential room or suite/apartment. Long distance service requires a personal calling card with access to an 800 number.

Should a student wish to have a telephone in his/her room, phones with local service and voicemail are available for rent from the Admissions Office. The College telephone system is digital and will not work with home-based analog systems. Only phones provided by the College will work when plugged into phone jacks in student rooms.

**Visitation/Guests**

Restrictions exist for visitors and guests to protect the health, safety, comfort and well-being of all students. Resident Assistants and Resident Directors will assist roommates in the negotiation of roommate contracts each semester or when room changes occur. If those students residing in a given room or suite/apartment wish to further limit the access of visitors and/or guests they may do so by indicating agreed upon changes on a roommate contract. Enforcement of visitation and guest restrictions will include consideration of College Policies as well as any additional restrictions determined by roommates through the agreed upon roommate contract.

**Visitation:** A visitor is defined as any current Young Harris College student present, with permission, in a particular residential complex, room or suite/apartment where they are not officially assigned.

Each residential facility is equipped with at least one common area where visitation is permitted 24-hours a day. Outside of that area (i.e. residential rooms, suites/apartments, and interior hallways of same-sex buildings), the following conditions apply:

• Visitors of the opposite-sex are limited to the following times:
  o Residence Halls:
    ▪ 9:00 a.m. – 1:00 a.m., Sunday through Thursday
    ▪ 9:00 a.m. – 2:00 a.m., Friday and Saturday
  o Village Apartments:
    ▪ 9:00 a.m. – 1:00 a.m., Sunday through Thursday
    ▪ 24-hour visitation, Friday and Saturday
• All students are responsible for what occurs in their assigned room or suite/apartment. If a violation of the Visitation Policy occurs all occupants of that room or suite/apartment may be held accountable.
• Same-sex overnight visitors are permitted on a limited basis and with the permission of all students assigned to that room or suite/apartment.
• Residents are expected to be mindful of their roommate and their suitemates when hosting visitors.

**Guest:** A guest is defined as any person on YHC premises who is not a current Young Harris College student.

In addition to having to abide by all above visitor conditions, the following restrictions also apply to guests who enter a residential complex:

• Residents must register their guests with their Resident Director in writing in advance of their guest’s arrival.
• All guests must have a designated host. Hosts are responsible for the conduct of their guests and for escorting them at all times. Guests are not allowed to be present in a residential complex without their host.
• Guests are not exempt from observing all College Policies and will be asked to leave campus if found to be a disruption to the community or individual residents.
• No overnight guests are permitted prior to the start of classes and after Reading Day each semester.
• A student may have no more than two guests at a time.
• Guests may not stay for longer than two nights per visit. Any extension must be approved by the Resident Director of that complex. No guest is allowed to stay for an extended period of time or to visit an unreasonable amount of times, as determined by the Director of Residence Life.
• Same-sex overnight guests UNDER the age of 18 must have written consent from the Director of Residence Life or the Resident Director of the complex. Permission is typically granted with parental consent.

No person may take up residence, as defined by the Director of Residence Life, in campus common areas (public or those within a suite/apartment) or a bedroom to which they have not been formally assigned.

**Windows/Porches/Balconies**

Windows cannot be obstructed by furniture, cardboard, or other items. Entering or exiting a campus facility through a window, hanging anything out of windows and/or placing items outside the window on ledges, roofs, or overhangs without the permission of the Assistant Dean of Students is prohibited. Some windows on campus are equipped with restrictors, a device which prevents the window from opening to the full extent. Students must not remove this device from their window. While displaying organization letters or other items in a window
is acceptable, students will be asked to remove any item that is deemed to be offensive by the College.

Should a room window be broken, the occupants of the room are responsible for the damage if the responsible party cannot be identified.

At no time are students allowed to climb/scale any porch railings or balconies. Jumping from The Village porches is prohibited, as is allowing others to jump from a porch.
STUDENT CONDUCT SYSTEM

Purpose
Upon admittance to Young Harris College, students are informed of the standards and expectations associated with entrance into the YHC Community. The expectations have been developed to enhance the health and safety of the individuals on campus and to promote an atmosphere that is conducive to the educational process. The Student Development Office, administrators, faculty, and staff are here to assist students in making the decisions needed for growth and development while fostering a climate on campus that is supportive of their academic progress.

To help students realize and understand the consequences of their behavior the College has developed the Student Conduct System. This systematic process applies the values of YHC to establish the best possible living and learning environment for students. For the Student Conduct Process to help students effectively, each case must be handled individually in terms of the student’s values and motives, as well as the severity of the alleged violation.

Because the Student Conduct System is administrative in nature and not judicial, it is not bound by standard rules of evidence. It does not either enforce outside criminal or civil law or intend to mimic such judicial processes. Decisions reached by the Vice President for Student Development, the Student Conduct Council, a hearing officer, an appeals officer, the Hearing Board, or the Traffic Appeals Board are based on a preponderance of the evidence.

The aim of the YHC Student Conduct System is to:
• Educate students concerning relevant College Policies and procedures;
• Arrive at an accurate and impartial decision by reviewing each incident, as well as individual student involvement, carefully and allowing each student involved a chance to respond to alleged violations; and
• Hold those students found to be in violation of College Policy accountable by imposing appropriate sanctions.

Student Conduct Process
A diagram of the Student Conduct Process can be found following this section.
1. Once an incident report is submitted, the Associate Vice President for Student Development will review the report, gather further information if necessary, and establish appropriate charges, if any.
   a. With the approval of the Associate Vice President for Student Development, the matter may be addressed administratively by mutual consent of the parties involved. Such disposition shall be final and there shall be no subsequent proceedings.
   b. If an agreement is not reached, or agreed upon outcomes are not met within the stated period of time, the incident shall be directed through the Student Conduct Process.
2. If a hearing is necessary, the Accused Student will, upon notification, have three (3) business days to schedule a hearing with a hearing officer by contacting the Office of
Student Development. The appropriate hearing officer will be determined by the Associate Vice President for Student Development. A student may, prior to the start of a hearing, request to be heard by a hearing board.

3. Hearings shall be conducted according to the following guidelines: The Accused Student may provide information related to his/her involvement/non-involvement in the incident in which s/he is being charged and the Complainant may provide information to support his/her claim against the Accused Student.

   a. The Complainant and/or Accused student may bring an advisor of their choice to advise him/her during the hearing. The Complainant and Accused Student are responsible for presenting their own information and advisors are not permitted to speak or participate directly in the hearing. Admission of any other persons to the hearing shall be at the discretion of the hearing officer or board.

   b. In hearings involving more than one Accused Student, the hearing officer or board, at their discretion, may permit the hearing concerning each student to be conducted either separately or jointly. An independent decision shall be determined for each Accused Student.

   c. The Complainant, Accused Student, and hearing officer or board may arrange for witnesses to present pertinent information at the hearing. If the Complainant or Accused wishes for a witness to be present, it is his/her responsibility to supply a list of witnesses, including contact information and relevance to the incident, to the hearing officer or board at least two (2) business days prior to the start of the hearing for approval. Upon approval, notification of hearing details to witnesses is the sole responsibility of the person submitting the request.

   d. Pertinent records, exhibits, and signed written statements may be accepted as information for consideration by a hearing officer or board at their discretion. Such information must be presented by the Accused Student or Complainant at least two (2) business days prior to the start of the hearing for approval.

   e. All procedural questions are subject to the final decision of the hearing officer or chair of the board.

   f. After the portion of the hearing concludes in which all pertinent information has been received, the hearing officer or board (by a simple majority vote) will, in closed quarters, discuss and determine if the Accused Student violated College Policy. The determination of the hearing officer or board shall be made on the basis of whether it is more likely than not that the Accused Student violated College Policy.

   g. A student’s conduct history shall not be considered when determining the outcome of the hearing. If, however, the student is found “responsible” for violating College Policy, the hearing officer or board shall consider the student’s past disciplinary record along with present demeanor, the nature of the offense, the severity of any damage, injury, or resulting harm, and other relevant factors in recommending and determining a sanction.

   h. Upon conclusion of the hearing, a written notice of the decision and sanction, if any, shall be given to the students involved via the student’s YHC email address within three (3) business days of the decision unless otherwise specified by the hearing officer or board.
i. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Conduct proceedings.

4. If an Accused Student, with notice, does not schedule a hearing within the designated amount of time or attend a hearing to which s/he was summoned, a Failure to Comply violation may be added to the current violations. At the discretion of the hearing officer or board, the information in support of the charges may be presented and considered even if the Accused Student is not present.

5. The proceedings of all student conduct hearings at Young Harris College are closed and remain confidential within the Student Conduct System except as provided by law. All hearings/meetings may be audio/video recorded and may become part of a student’s official conduct file.

6. Decisions made by a board or hearing officer shall be final, pending the normal appeal process.

7. At certain times of the year hearing boards are unavailable. A hearing with an administrative hearing officer is necessary when 1) the Hearing Board or Traffic Appeals Board is unable to meet (including summer session, between terms, during the week of finals, or any other time it is not feasible to convene) or 2) deemed appropriate by the Vice President for Student Development.

**Interim Suspension**

In certain circumstances, the Vice President for Student Development, or a designee, may impose an interim suspension prior to a hearing.

- In the event of a serious violation of College Policies, where there is reason to believe the continued presence of a student is a threat to the health, safety or welfare of Young Harris College community members or him/herself, an emergency suspension by the Vice President for Student Development may be issued. This suspension shall be immediate and in effect until the conclusion of a hearing.
- Interim suspension may be imposed only: a) to ensure the safety and well-being of members of the YHC community or preservation of YHC property; b) to ensure the student’s own physical or emotional safety and well-being; or c) if the student possesses an ongoing threat of disruption of, or interference with, the normal operations of the College.
- During the interim suspension, a student shall be denied access to campus housing facilities, the campus (including classes), and/or all other YHC activities or privileges for which the student might otherwise be eligible, as the Vice President for Student Development or a designee may determine to be appropriate.
- The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a student conduct hearing, if required.

**Sanctions**

1. The following sanction options may be imposed upon any student found to have violated College Policy:
   a. Administrative Warning: A notice in writing to the student that the student is violating or has violated College Policy.
   b. Conduct Probation: Probation is for a designated period of time and includes the
probability of more severe disciplinary sanctions if the student is found to violate any College Policy, or specific College Policies if deemed appropriate by the hearing officer or board, during the probationary period.

c. Loss of privilege: Denial of specified privileges for a designated period of time.

d. Fines: A monetary fine may be assessed.

e. Restitution: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

f. Housing Suspension: Separation of the student from campus housing for a definite period of time, after which the student is eligible to return. Conditions for readmission must be specified. If a student is suspended from campus housing, s/he may still be charged for room and board during that time of suspension while still enrolled at YHC.

g. Housing Expulsion: Permanent separation of the student from campus housing. If a student is expelled from campus housing, s/he may still be charged for room and board for the remainder of their time at YHC.

h. YHC Suspension: Separation of the student from YHC for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

i. YHC Expulsion: Permanent separation of the student from YHC.

j. Revocation of Admission and/or Degree: Admission to, or a degree awarded from, YHC may be revoked for fraud, misrepresentation, or other violation of YHC standards in obtaining the degree or admittance, or for other serious violations committed by a student prior to graduation.

k. Withholding Degree: YHC may withhold awarding a degree otherwise earned until the completion of the process set forth in College Policy, including the completion of all sanctions imposed, if any.

l. Parental Notification: Changes to the Family Educational Rights and Privacy Act (FERPA) have given colleges/universities the option to release specific types of information from a student’s conduct record. The Office of Student Development reserves the right to release student conduct records when it is determined to be in the best interest of the student and the College. This may include but is not limited to serious violations of College Policy.

m. Work Sanction/Community Compensation: A work sanction is the assignment to work a specific number of hours at the College or a community service agency.

n. Awareness, Educational, and Treatment Programs: A hearing officer or board may mandate that an individual or group attend or present information and/or programming related to their policy violation. In certain cases, participation in counseling or rehabilitation programs may also be required in order to maintain enrollment status.

o. Other Sanctions: Other sanctions may be imposed instead of or in addition to those specified above, such as denial of participation in College activities, denial or restriction of privileges, and solutions agreed upon administratively.

2. In addition to the above list, the following sanctions may be imposed upon groups or recognized student organizations:
a. Loss of YHC Recognition/Charter: A recognized student organization may be placed on permanent or temporary suspension from Young Harris College and may lose its status as a recognized student organization and not be allowed to plan or use College facilities or other resources for any functions.

b. Completion of education and/or training programs: Organization/individual may be required to plan an educational event for the student body/individual student group (i.e. alcohol awareness program)

3. A sanction imposed for any single violation may include more than one of the sanction options listed.

4. Students who receive a suspension or expulsion must vacate the campus as directed in a hearing and/or appeal. Students who are suspended or dismissed from Young Harris College are banned from the campus or College property. Violators shall be subject to arrest for criminal trespass.

5. Students involved in multiple violations (3 or more) of College Policy may be subject to suspension or expulsion from the College.

6. In each case in which a hearing officer or board determines that a student and/or group or organization has violated College Policy, the sanction shall be determined and imposed by the hearing officer or board. The group as a whole, and/or individual members, may be sanctioned as appropriate.

7. If a student fails to complete an assigned sanction within the specified amount of time a Failure to Comply violation may be assessed to the student. An administrative STOP shall be placed on the student’s account preventing him/her from registering for classes, accessing grades, attaining a transcript, and performing other administrative functions until the original sanction is complete. In addition, monetary fines may also be imposed and placed on a student’s account.

**Student Conduct Council**

The purpose of the Young Harris College Student Conduct Council is to evaluate the Student Conduct System, recommend policy and procedural changes, provide recommended sanctions for student conduct violations, and oversee and populate the Hearing Board and Traffic Appeals Board.

**Student Conduct Council Composition and Membership:**

- The Vice President for Student Development shall chair the Student Conduct Council and serve as an ex-officio member of the Hearing Board and Traffic Appeals Board.
- Six to ten (6-10) full-time students, nominated by any member of the College community and voted on by the student body, shall be selected each year to serve on the Student Conduct Council. From the list of applicants, a select slate of potential members shall be approved by the Vice President for Student Development, who may disqualify a nominee because of previous conduct violations or not meeting the minimum qualifications for membership. The slate of students shall be presented to the student body for election to the council. All student members must maintain a 2.5 GPA. Once granted membership on the council by a student vote, student members, with approval of the Vice President for Student Development, may be reappointed each year.
• Three (3) full-time faculty members who are familiar with the behavioral expectations and the curricular and co-curricular aspects of student development shall be appointed by the Vice President for Student Development.
• Three (3) full-time professional staff members who are familiar with the behavioral expectations and the curricular and co-curricular aspects of student development shall be appointed by the Vice President for Student Development.

**Hearing Board**

_The purpose of the Hearing Board is to hear, decide upon, and render sanctions for student conduct cases and appeals as assigned by the Student Conduct Council, Associate Vice President for Student Development or Vice President for Student Development._

**Composition of the Board:**
The Hearing Board shall be comprised of Student Conduct Council members with the quorum of five (5) for each hearing as follows:

• Three (3) students, including a non-rotating Hearing Board Chair elected by the Student Conduct Council and approved by the Vice President for Student Development. Two (2) faculty/staff members
• Vice President for Student Development, as an ex-officio member, will advise group

If a quorum is not present, the Accused Student shall be given an opportunity to reschedule the hearing or to waive his/her rights to a quorum and proceed with the hearing with approval of the Chair.

**Traffic Appeals Board**

_The purpose of the Traffic Appeals Board is to render a decision on all submitted appeals regarding traffic or parking tickets issued on campus by the Young Harris College Police Department to any YHC student._

**Process Overview:**

• Any student may choose to appeal a College ticket by submitting a YHC Student Conduct Appeal form to the Student Development Office within five (5) business days of the ticket being issued.
• The ticketing officer then has the opportunity to read the appeal and submit a written response to the Traffic Appeals Board 24 hours prior to the hearing.
• Hearings are closed meetings of the board. Information considered during the appeal is limited to that which is submitted in writing to the board. A student or ticketing officer may submit a written request with the appeal to present information in person. If granted, notice will be given 48 hours prior to the appeal hearing inviting both the student and ticketing officer to speak.
  • If a student or officer is granted the opportunity to present information at the appeal and is not present at the time of the hearing, the hearing will not be delayed or rescheduled and his/her written statement only will be considered.
• The board may uphold, overturn, or modify the original decision or fine.
• Notice of the decision will be given via the student’s YHC email address within three (3) business days of the hearing unless otherwise specified by the hearing officer or board.
• Any decision rendered by the Traffic Appeals Board shall be considered final and binding upon all involved.

**Traffic Appeals Board Composition:**
The Traffic Appeals Board shall be comprised of Student Conduct Council members with the quorum of three (3) for each hearing as follows:
• Three (3) students, including a non-rotating Traffic Appeals Board Chair elected by the Student Conduct Council and approved by the Vice President for Student Development.
• Vice President for Student Development, as an ex-officio member, will advise group

**Appeals Process**
A decision reached or sanction imposed by an initial hearing officer or board may be appealed in writing by the Accused Student or Complainant within five (5) business days of the decision by submitting a YHC Student Conduct Appeal form to the Student Development Office. A student may request to have his/her appeal heard by an appeals officer or hearing board. Traffic or parking tickets may be appealed to the Traffic Appeals Board using the same guidelines.

Upon receipt, the board or hearing officer assigned the appeal may uphold, overturn, or modify the original decision or sanction and/or choose to refer the case back to the original hearing officer or board for re-opening to allow reconsideration of the original determination and/or sanction. The board or hearing officer assigned the appeal may uphold a decision without a hearing if the reasons for the appeal are not stated or not adequate to warrant review.

The following reasons shall constitute valid grounds for appeal:

1. **To determine whether the initial hearing was conducted fairly** in light of the charges and information presented, and in conformity with prescribed procedures giving the Complainant a reasonable opportunity to prepare and to present information that College Policy was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
2. **To determine whether the decision reached was based on substantial information,** that is, whether there were facts in the case that, if believed by the finder, were sufficient to establish that a violation of College Policy occurred.
3. **To determine whether the sanction imposed was appropriate for the violation** of College Policy which the student was found responsible for violating.
4. **To consider new information,** sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not
known to the person appealing at the time of the original hearing, nor could have reasonably been obtained by the person.

If the board or hearing officer assigned agrees to hear the appeal, the original hearing officer/board then has the opportunity to read the appeal and submit a written response to the appeals officer or Hearing Board within 24 hours prior to the hearing. The same procedures shall apply to both initial and appeal hearings. Upon conclusion of the hearing regarding the student’s appeal, notice of the decision will be given via the student’s YHC email address within three (3) business days of the decision unless otherwise specified by the hearing officer or board.

Appeal outcomes shall be considered final and binding upon all involved.

Notification to Others

In an effort to holistically develop students and more effectively identify behavior patterns, there are times when those with a “need to know” are notified about a student’s involvement, or alleged involvement, in an incident. To the extent allowed by FERPA, this “need to know” may include administrators, faculty, advisors, the College retention officer, coaches, health and wellness professionals, and residence life staff. Those considered “need to know” are determined by the Vice President for Student Development on a case-by-case basis.

Student Conduct Records

Incidents involving the imposition of sanctions other than YHC suspension, YHC expulsion or revocation or withholding of a degree shall be expunged from the student’s confidential record seven (7) years from the date of the student’s last violation.

In situations involving both an Accused Student (or group or organization) and a Complainant, the records of the process and of the sanctions imposed, if any, shall be considered to be the educational records of both the Accused Student and the Complainant because the educational career and chances of success in the academic community of each may be affected.

Student Conduct records, including hearing outcomes and sanctions shall follow a student for his/her entire enrollment at Young Harris College.

Special Circumstances

The Vice President for Student Development may choose to review a case directly and has the right to initiate legal action when necessary. This includes but is not limited to cases involving the use or possession of illegal drugs and drug paraphernalia, sexual misconduct, or violence. The student will be given the opportunity to refute the charges or accept responsibility for his/her behavior. Decisions at this level may be appealed to the President, or his or her designee.
