

## Reflection Paper Assignment

As part of your sanction for violating campus policy, you are required to write a paper reflecting on your actions in this incident. This paper must be 500 words in length (typed, double-spaced) and must be submitted to the Director of Student Conduct & Community Standards (Rollins Campus Center, suite 213) by no later than \_\_\_\_\_. This paper should address the following questions/issues:

- A. Reflect on the policies you were found in violation of and answer the following: why do these policies exist? What purpose do they serve?
- B. How was your behavior inconsistent with the College's expectations?
- C. If placed in the same situation again, how would your actions be similar or different?
- D. Why would your actions be similar or different?
- E. What is the most important thing you have learned from this experience?

Be advised that this paper may *not* serve to justify your own actions or evaluate the actions of others. The paper should utilize appropriate language, grammar, and spelling.

Failure to comply fully with the above assignment within the stipulated timeframe will result in additional disciplinary action, including a \$50 failure to comply fine. Additionally, a student conduct hold will be placed on your account if any deadlines are not met. A hold may prevent you from registering for classes, dropping and/or adding courses, and obtaining copies of your transcript.

As a student at Young Harris College, you are expected to comply with the rules and policies governing student conduct as well as take affirmative steps to ensure, as best you can, that all other students comply with this expectation. Should you be involved in a future violation of the Code of Conduct during your time at YHC, this violation will be considered and you will be sanctioned accordingly.
