

Intramurals FAQ

How do I register a team?

All registration will take place online using the IMLeagues website. Within the given registration dates, students can access this system from the Intramurals webpage and create a team.

How do I pay?

No fees are required.

Where do I report when I get to the site?

Participants should locate the staff table at the contest site and sign in on their designated gamesheet. All participants must present their ID-Cards at the time of sign in. It is the responsibility of the captain to make sure that all of their players are current students with Valid ID-Cards.

How long is registration?

Online registration will be posted on the event page of the IMLeagues website. Typically, it should take no longer than 15-20 minutes to register a team and add desired participants to the roster.

What do you win?

Championship t-shirts are awarded to all Intramural Champions.

How do I find out when my team is playing?

Schedules are posted through the IMLeagues. Participants and team captains are responsible for obtaining schedules and all information contained therein.

How many teams can a participant play on?

You can only participate on one team per sport.

What happens if a team cannot play on any given night?

Contact the Recreation and Fitness Center no later than 2pm of the scheduled game day to reschedule. If not notified in the appropriate time frame then a forfeit will transpire.
