Following a formal investigation, there were no findings of hazing from the investigation.

A formal investigation was conducted by the Young Harris College Police Department after a Gamma Psi member suggested hazing activity had been occurring during or in connection with the Gamma Psi Greek Life pledge periods prior to Fall 2025, the Young Harris College Police Department identified the following information:

- The statement made about hazing and Gamma Psi was inaccurate, and no hazing had actually occurred.

As a result of these findings, the investigation was closed and Gamma Psi will be allowed to become active again if they choose to do so.
