

Title IX Training Documentation Overview

Updated 02.18.2026

Young Harris Employees Trained for Title IX Roles

All Young Harris college employees are required to participate in online training regarding their responsibilities to report potential incidents that may compromise the safety of the Young Harris Community, including incidents that may fall under the [Young Harris College Sexual Misconduct Policy](#).

Employees serving in specific roles in the Title IX process must be trained annually. The following current employees have attended additional training during the months of August, September, and October of 2025 to serve in roles in the Title IX investigation and resolution process.
