Dear [Student's First Name],

Good News!

Young Harris College has received funding through the Coronavirus Aid, Relief and Economic Security (CARES) Act which includes the Higher Education Emergency Relief Fund (HEERF). This funding provides emergency support for students impacted by the campus disruption due to the coronavirus. CARES Act Emergency Grants are for qualifying expenses such as food, housing, technology needs, childcare expenses, medical expenses and other expenses resulting from the campus disruption. YHC is distributing grants to students who received Title IV financial aid funds.

Be on the lookout for a check in the mail. We hope this helps ease your burden during this unprecedented time.

Please contact the Business Office with any questions you have regarding this matter.

A handwritten signature in blue ink that reads "Drew L. Van Horn".

Drew L. Van Horn, Ph.D.
President
Young Harris College
